[H.R. 3835]

### AN ACT

To relieve the existing national economic emergency by increasing agricultural purchasing power, to raise revenue for extraordinary expenses incurred by reason of such emergency, to provide emergency relief with respect to agricultural indebtedness, to provide for the orderly liquidation of joint-stock land banks, and for other purposes.

*Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,*

## TITLE I—AGRICULTURAL ADJUSTMENT

### DECLARATION OF EMERGENCY

That the present acute economic emergency being in part the consequence of a severe and increasing disparity between the prices of agricultural and other commodities, which disparity has largely destroyed the purchasing power of farmers for industrial products, has broken down the orderly exchange of commodities, and has seriously impaired the agricultural assets supporting the national credit structure, it is hereby declared that these conditions in the basic industry of agriculture have affected transactions in agricultural commodities with a national public interest, have burdened and obstructed the normal currents of commerce in such commodities, and render imperative the immediate enactment of title I of this Act.

### DECLARATION OF POLICY

SEC. 2. It is hereby declared to be the policy of Congress—

(1) To establish and maintain such balance between the production and consumption of agricultural commodities, and such marketing conditions therefor, as will reestablish prices to farmers at a level that will give agricultural commodities a purchasing power with respect to articles that farmers buy, equivalent to the purchasing power of agricultural commodities in the base period. The base period in the case of all agricultural commodities except tobacco shall be the prewar period, August 1909–July 1914. In the case of tobacco, the base period shall be the postwar period, August 1919–July 1929.

(2) To approach such equality of purchasing power by gradual correction of the present inequalities therein at as rapid a rate as is deemed feasible in view of the current consumptive demand in domestic and foreign markets.

(3) To protect the consumers' interest by readjusting farm production at such level as will not increase the percentage of the consumers' retail expenditures for agricultural commodities, or products derived therefrom, which is returned to the farmer, above the percentage which was returned to the farmer in the prewar period, August 1909–July 1914.

## PART 1—COTTON OPTION CONTRACTS

SEC. 3. The Federal Farm Board and all departments and other agencies of the Government, not including the Federal intermediate credit banks, are hereby directed—

(a) To sell to the Secretary of Agriculture at such price as may be agreed upon, not in excess of the market price, all cotton now owned by them.

(b) To take such action and to make such settlements as are necessary in order to acquire full legal title to all cotton on which money has been loaned or advanced by any department or agency of the United States, including futures contracts for cotton or which is held as collateral for loans or advances and to make final settlement of such loans and advances as follows:

(1) In making such settlements with regard to cotton, including operations to which such cotton is related, such cotton shall be taken over by all such departments or agencies other than the Secretary of Agriculture at a price or sum equal to the amounts directly or indirectly loaned or advanced thereon and outstanding, including loans by the Government department or agency and any loans senior thereto, plus any sums required to adjust advances to growers to 90 per centum of the value of their cotton at the date of its delivery in the first instance as collateral to the department or agency involved, such sums to be computed by subtracting the total amount already advanced to growers on account of pools of which such cotton was a part, from 90 per centum of the value of the cotton to be taken over as of the time of such delivery as collateral, plus unpaid accrued carrying charges and operating costs on such cotton, less, however, any existing assets of the borrower derived from net income, earnings, or profits arising from such cotton, and from operations to which such cotton is related; all as determined by the department or agency making the settlement.

(2) The Secretary of Agriculture shall make settlements with respect to cotton held as collateral for loans or advances made by him on such terms as in his judgment may be deemed advisable, and to carry out the provisions of this section, is authorized to indemnify or furnish bonds to warehousemen for lost warehouse receipts and to pay the premiums on such bonds.

When full legal title to the cotton referred to in (b) has been acquired, it shall be sold to the Secretary of Agriculture for the purposes of this section, in the same manner as provided in (a).

(c) The Secretary of Agriculture is hereby authorized to purchase the cotton specified in paragraphs (a) and (b).

SEC. 4. The Secretary of Agriculture shall have authority to borrow money upon all cotton in his possession or control and deposit as collateral for such loans the warehouse receipts for such cotton.

SEC. 5. The Reconstruction Finance Corporation is hereby authorized and directed to advance money and to make loans to the Secretary of Agriculture to acquire such cotton and to pay the classing, carrying, and merchandising costs thereon, in such amounts and upon such terms as may be agreed upon by the Secretary and the Reconstruction Finance Corporation, with such warehouse receipts as collateral security: *Provided, however,* That in any instance

where it is impossible or impracticable for the Secretary to deliver such warehouse receipts as collateral security for the advances and loans herein provided to be made, the Reconstruction Finance Corporation may accept in lieu of all or any part thereof such other security as it may consider acceptable for the purposes aforesaid, including an assignment or assignments of the equity and interest of the Secretary in warehouse receipts pledged to secure other indebtedness. The amount of notes, bonds, debentures, and other such obligations which the Reconstruction Finance Corporation is authorized and empowered to issue and to have outstanding at any one time under existing law is hereby increased by an amount sufficient to carry out the provisions of this section.

SEC. 6. (a) The Secretary of Agriculture is hereby authorized to enter into option contracts with the producers of cotton to sell to any such producer an amount of cotton to be agreed upon not in excess of the amount of reduction in production of cotton by such producer below the amount produced by him in the preceding crop year, in all cases where such producer agrees in writing to reduce the amount of cotton produced by him in 1933, below his production in the previous year, by not less than 30 per centum, without increase in commercial fertilization per acre.

(b) To any such producer so agreeing to reduce production the Secretary of Agriculture shall deliver a nontransferable-option contract agreeing to sell to said producer an amount, equivalent to the amount of his agreed reduction, of the cotton in the possession and control of the Secretary.

(c) The producer is to have the option to buy said cotton at the average price paid by the Secretary for the cotton procured under section 3, and is to have the right at any time up to January 1, 1934, to exercise his option, upon proof that he has complied with his contract and with all the rules and regulations of the Secretary of Agriculture with respect thereto, by taking said cotton upon payment by him of his option price and all actual carrying charges on such cotton; or the Secretary may sell such cotton for the account of such producer, paying him the excess of the market price at the date of sale over the average price above referred to after deducting all actual and necessary carrying charges: *Provided*, That in no event shall the producer be held responsible or liable for financial loss incurred in the holding of such cotton or on account of the carrying charges therein: *Provided further*, That such agreement to curtail cotton production shall contain a further provision that such cotton producer shall not use the land taken out of cotton production for the production for sale, directly or indirectly, of any other nationally produced agricultural commodity or product.

(d) If any cotton held by the Secretary of Agriculture is not disposed of under subsection (c), the Secretary is authorized to enter into similar option contracts with respect to such cotton, conditioned upon a like reduction of production in 1934, and permitting the producer in each case to exercise his option at any time up to January 1, 1935.

SEC. 7. The Secretary shall sell the cotton held by him at his discretion, but subject to the foregoing provisions: *Provided*, That

he shall dispose of all cotton held by him by March 1, 1936: *Provided further*, That the Secretary shall have authority to enter into additional option contracts for so much of such cotton as is not necessary to comply with the provisions of section 6, in combination with benefit payments as provided for in part 2 of this title.

## PART 2—COMMODITY BENEFITS

### GENERAL POWERS

SEC. 8. In order to effecuate<sup>1</sup> the declared policy, the Secretary of Agriculture shall have power—

(1) To provide for reduction in the acreage or reduction in the production for market, or both, of any basic agricultural commodity, through agreements with producers or by other voluntary methods, and to provide for rental or benefit payments in connection therewith or upon that part of the production of any basic agricultural commodity required for domestic consumption, in such amounts as the Secretary deems fair and reasonable, to be paid out of any moneys available for such payments. Under regulations of the Secretary of Agriculture requiring adequate facilities for the storage of any non-perishable agricultural commodity on the farm, inspection and measurement of any such commodity so stored, and the locking and sealing thereof, and such other regulations as may be prescribed by the Secretary of Agriculture for the protection of such commodity and for the marketing thereof, a reasonable percentage of any benefit payment may be advanced on any such commodity so stored. In any such case, such deduction may be made from the amount of the benefit payment as the Secretary of Agriculture determines will reasonably compensate for the cost of inspection and sealing, but no deduction may be made for interest.

(2) To enter into marketing agreements with processors, associations of producers, and others engaged in the handling, in the current of interstate or foreign commerce of any agricultural commodity or product thereof, after due notice and opportunity for hearing to interested parties. The making of any such agreement shall not be held to be in violation of any of the antitrust laws of the United States, and any such agreement shall be deemed to be lawful: *Provided*, That no such agreement shall remain in force after the termination of this Act. For the purpose of carrying out any such agreement the parties thereto shall be eligible for loans from the Reconstruction Finance Corporation under section 5 of the Reconstruction Finance Corporation Act. Such loans shall not be in excess of such amounts as may be authorized by the agreements.

(3) To issue licenses permitting processors, associations of producers, and others to engage in the handling, in the current of interstate or foreign commerce, of any agricultural commodity or product thereof, or any competing commodity or product thereof. Such licenses shall be subject to such terms and conditions, not in conflict with existing Acts of Congress or regulations pursuant thereto, as may be necessary to eliminate unfair practices or charges that prevent or tend to prevent the effectuation of the declared policy and the restoration of normal economic conditions in the marketing of

<sup>1</sup> So in original.

such commodities or products and the financing thereof. The Secretary of Agriculture may suspend or revoke any such license, after due notice and opportunity for hearing, for violations of the terms or conditions thereof. Any order of the Secretary suspending or revoking any such license shall be final if in accordance with law. Any such person engaged in such handling without a license as required by the Secretary under this section shall be subject to a fine of not more than \$1,000 for each day during which the violation continues.

(4) To require any licensee under this section to furnish such reports as to quantities of agricultural commodities or products thereof bought and sold and the prices thereof, and as to trade practices and charges, and to keep such systems of accounts, as may be necessary for the purpose of part 2 of this title.

(5) No person engaged in the storage in a public warehouse of any basic agricultural commodity in the current of interstate or foreign commerce, shall deliver any such commodity upon which a warehouse receipt has been issued and is outstanding, without prior surrender and cancellation of such warehouse receipt. Any person violating any of the provisions of this subsection shall, upon conviction, be punished by a fine of not more than \$5,000, or by imprisonment for not more than two years, or both. The Secretary of Agriculture may revoke any license issued under subsection (3) of this section, if he finds, after due notice and opportunity for hearing, that the licensee has violated the provisions of this subsection.

#### PROCESSING TAX

SEC. 9. (a) To obtain revenue for extraordinary expenses incurred by reason of the national economic emergency, there shall be levied processing taxes as hereinafter provided. When the Secretary of Agriculture determines that rental or benefit payments are to be made with respect to any basic agricultural commodity, he shall proclaim such determination, and a processing tax shall be in effect with respect to such commodity from the beginning of the marketing year therefor next following the date of such proclamation. The processing tax shall be levied, assessed, and collected upon the first domestic processing of the commodity, whether of domestic production or imported, and shall be paid by the processor. The rate of tax shall conform to the requirements of subsection (b). Such rate shall be determined by the Secretary of Agriculture as of the date the tax first takes effect, and the rate so determined shall, at such intervals as the Secretary finds necessary to effectuate the declared policy, be adjusted by him to conform to such requirements. The processing tax shall terminate at the end of the marketing year current at the time the Secretary proclaims that rental or benefit payments are to be discontinued with respect to such commodity. The marketing year for each commodity shall be ascertained and prescribed by regulations of the Secretary of Agriculture: *Provided*, That upon any article upon which a manufacturers' sales tax is levied under the authority of the Revenue Act of 1932 and which manufacturers' sales tax is computed on the basis of weight, such manufacturers' sales tax shall be computed on the basis of the weight

of said finished article less the weight of the processed cotton contained therein on which a processing tax has been paid.

(b) The processing tax shall be at such rate as equals the difference between the current average farm price for the commodity and the fair exchange value of the commodity; except that if the Secretary has reason to believe that the tax at such rate will cause such reduction in the quantity of the commodity or products thereof domestically consumed as to result in the accumulation of surplus stocks of the commodity or products thereof or in the depression of the farm price of the commodity, then he shall cause an appropriate investigation to be made and afford due notice and opportunity for hearing to interested parties. If thereupon the Secretary finds that such result will occur, then the processing tax shall be at such rate as will prevent such accumulation of surplus stocks and depression of the farm price of the commodity. In computing the current average farm price in the case of wheat, premiums paid producers for protein content shall not be taken into account.

(c) For the purposes of part 2 of this title, the fair exchange value of a commodity shall be the price therefor that will give the commodity the same purchasing power, with respect to articles farmers buy, as such commodity had during the base period specified in section 2; and the current average farm price and the fair exchange value shall be ascertained by the Secretary of Agriculture from available statistics of the Department of Agriculture.

(d) As used in part 2 of this title—

(1) In case of wheat, rice, and corn, the term "processing" means the milling or other processing (except cleaning and drying) of wheat, rice, or corn for market, including custom milling for toll as well as commercial milling, but shall not include the grinding or cracking thereof not in the form of flour for feed purposes only.

(2) In case of cotton, the term "processing" means the spinning, manufacturing, or other processing (except ginning) of cotton; and the term "cotton" shall not include cotton linters.

(3) In case of tobacco, the term "processing" means the manufacturing or other processing (except drying or converting into insecticides and fertilizers) of tobacco.

(4) In case of hogs, the term "processing" means the slaughter of hogs for market.

(5) In the case of any other commodity, the term "processing" means any manufacturing or other processing involving a change in the form of the commodity or its preparation for market, as defined by regulations of the Secretary of Agriculture; and in prescribing such regulations the Secretary shall give due weight to the customs of the industry.

(e) When any processing tax, or increase or decrease therein, takes effect in respect of a commodity the Secretary of Agriculture, in order to prevent pyramiding of the processing tax and profiteering in the sale of the products derived from the commodity, shall make public such information as he deems necessary regarding (1) the relationship between the processing tax and the price paid to producers of the commodity, (2) the effect of the processing tax upon prices to consumers of products of the commodity, (3) the relationship, in previous periods, between prices paid to the pro-

ducers of the commodity and prices to consumers of the products thereof, and (4) the situation in foreign countries relating to prices paid to producers of the commodity and prices to consumers of the products thereof.

#### MISCELLANEOUS

SEC. 10. (a) The Secretary of Agriculture may appoint such officers and employees, subject to the provisions of the Classification Act of 1923 and Acts amendatory thereof, and such experts as are necessary to execute the functions vested in him by this title; and the Secretary may make such appointments without regard to the civil service laws or regulations: *Provided*, That no salary in excess of \$10,000 per annum shall be paid to any officer, employee, or expert of the Agricultural Adjustment Administration, which the Secretary shall establish in the Department of Agriculture for the administration of the functions vested in him by this title. Title II of the Act entitled "An Act to maintain the credit of the United States Government", approved March 20, 1933, to the extent that it provides for the impoundment of appropriations on account of reductions in compensation, shall not operate to require such impoundment under appropriations contained in this Act.

(b) The Secretary of Agriculture is authorized to establish, for the more effective administration of the functions vested in him by this title, State and local committees, or associations of producers, and to permit cooperative associations of producers, when in his judgment they are qualified to do so, to act as agents of their members and patrons in connection with the distribution of rental or benefit payments.

(c) The Secretary of Agriculture is authorized, with the approval of the President, to make such regulations with the force and effect of law as may be necessary to carry out the powers vested in him by this title, including regulations establishing conversion factors for any commodity and article processed therefrom to determine the amount of tax imposed or refunds to be made with respect thereto. Any violation of any regulation shall be subject to such penalty, not in excess of \$100, as may be provided therein.

(d) The Secretary of the Treasury is authorized to make such regulations as may be necessary to carry out the powers vested in him by this title.

(e) The action of any officer, employee, or agent in determining the amount of and in making any rental or benefit payment shall not be subject to review by any officer of the Government other than the Secretary of Agriculture or Secretary of the Treasury.

(f) The provisions of this title shall be applicable to the United States and its possessions, except the Philippine Islands, the Virgin Islands, American Samoa, the Canal Zone, and the island of Guam.

(g) No person shall, while acting in any official capacity in the administration of this title, speculate, directly or indirectly, in any agricultural commodity or product thereof, to which this title applies, or in contracts relating thereto, or in the stock or membership interests of any association or corporation engaged in handling, processing, or disposing of any such commodity or product. Any person violating this subsection shall upon conviction thereof be

fined not more than \$10,000 or imprisoned not more than two years, or both.

(h) For the efficient administration of the provisions of part 2 of this title, the provisions, including penalties, of sections 8, 9, and 10 of the Federal Trade Commission Act, approved September 26, 1914, are made applicable to the jurisdiction, powers, and duties of the Secretary in administering the provisions of this title and to any person subject to the provisions of this title, whether or not a corporation. Hearings authorized or required under this title shall be conducted by the Secretary of Agriculture or such officer or employee of the Department as he may designate for the purpose. The Secretary may report any violation of any agreement entered into under part 2 of this title to the Attorney General of the United States, who shall cause appropriate proceedings to enforce such agreement to be commenced and prosecuted in the proper courts of the United States without delay.

#### COMMODITIES

SEC. 11. As used in this title, the term "basic agricultural commodity" means wheat, cotton, field corn, hogs, rice, tobacco, and milk and its products, and any regional or market classification, type, or grade thereof; but the Secretary of Agriculture shall exclude from the operation of the provisions of this title, during any period, any such commodity or classification, type, or grade thereof if he finds, upon investigation at any time and after due notice and opportunity for hearing to interested parties, that the conditions of production, marketing, and consumption are such that during such period this title can not be effectively administered to the end of effectuating the declared policy with respect to such commodity or classification, type, or grade thereof.

#### APPROPRIATION

SEC. 12. (a) There is hereby appropriated, out of any money in the Treasury not otherwise appropriated, the sum of \$100,000,000 to be available to the Secretary of Agriculture for administrative expenses under this title and for rental and benefit payments made with respect to reduction in acreage or reduction in production for market under part 2 of this title. Such sum shall remain available until expended.

(b) In addition to the foregoing, the proceeds derived from all taxes imposed under this title are hereby appropriated to be available to the Secretary of Agriculture for expansion of markets and removal of surplus agricultural products and the following purposes under part 2 of this title: Administrative expenses, rental and benefit payments, and refunds on taxes. The Secretary of Agriculture and the Secretary of the Treasury shall jointly estimate from time to time the amounts, in addition to any money available under subsection (a), currently required for such purposes; and the Secretary of the Treasury shall, out of any money in the Treasury not otherwise appropriated, advance to the Secretary of Agriculture the amounts so estimated. The amount of any such advance shall be deducted from such tax proceeds as shall subsequently become available under this subsection.

(c) The administrative expenses provided for under this section shall include, among others, expenditures for personal services and rent in the District of Columbia and elsewhere, for law books and books of reference, for contract stenographic reporting services, and for printing and paper in addition to allotments under the existing law. The Secretary of Agriculture shall transfer to the Treasury Department, and is authorized to transfer to other agencies, out of funds available for administrative expenses under this title, such sums as are required to pay administrative expenses incurred and refunds made by such department or agencies in the administration of this title.

#### TERMINATION OF ACT

SEC. 13. This title shall cease to be in effect whenever the President finds and proclaims that the national economic emergency in relation to agriculture has been ended; and pending such time the President shall by proclamation terminate with respect to any basic agricultural commodity such provisions of this title as he finds are not requisite to carrying out the declared policy with respect to such commodity. The Secretary of Agriculture shall make such investigations and reports thereon to the President as may be necessary to aid him in executing this section.

#### SEPARABILITY OF PROVISIONS

SEC. 14. If any provision of this title is declared unconstitutional, or the applicability thereof to any person, circumstance, or commodity is held invalid the validity of the remainder of this title and the applicability thereof to other persons, circumstances, or commodities shall not be affected thereby.

#### SUPPLEMENTARY REVENUE PROVISIONS

##### EXEMPTIONS AND COMPENSATING TAXES

SEC. 15. (a) If the Secretary of Agriculture finds, upon investigation at any time and after due notice and opportunity for hearing to interested parties, that any class of products of any commodity is of such low value compared with the quantity of the commodity used for their manufacture that the imposition of the processing tax would prevent in whole or in large part the use of the commodity in the manufacture of such products and thereby substantially reduce consumption and increase the surplus of the commodity, then the Secretary of Agriculture shall so certify to the Secretary of the Treasury, and the Secretary of the Treasury shall abate or refund any processing tax assessed or paid after the date of such certification with respect to such amount of the commodity as is used in the manufacture of such products.

(b) No tax shall be required to be paid on the processing of any commodity by or for the producer thereof for consumption by his own family, employees, or household; and the Secretary of Agriculture is authorized, by regulations, to exempt from the payment of the processing tax the processing of commodities by or for the producer thereof for sale by him where, in the judgment of the Secretary, the imposition of a processing tax with respect thereto is unnecessary to effectuate the declared policy.

(c) Any person delivering any product to any organization for charitable distribution or use shall, if such product or the commodity from which processed, is under this title subject to tax, be entitled to a refund of the amount of any tax paid under this title with respect to such product so delivered.

(d) The Secretary of Agriculture shall ascertain from time to time whether the payment of the processing tax upon any basic agricultural commodity is causing or will cause to the processors thereof disadvantages in competition from competing commodities by reason of excessive shifts in consumption between such commodities or products thereof. If the Secretary of Agriculture finds, after investigation and due notice and opportunity for hearing to interested parties, that such disadvantages in competition exist, or will exist, he shall proclaim such finding. The Secretary shall specify in this proclamation the competing commodity and the compensating rate of tax on the processing thereof necessary to prevent such disadvantages in competition. Thereafter there shall be levied, assessed, and collected upon the first domestic processing of such competing commodity a tax, to be paid by the processor, at the rate specified, until such rate is altered pursuant to a further finding under this section, or the tax or rate thereof on the basic agricultural commodity is altered or terminated. In no case shall the tax imposed upon such competing commodity exceed that imposed per equivalent unit, as determined by the Secretary, upon the basic agricultural commodity.

(e) During any period for which a processing tax is in effect with respect to any commodity there shall be levied, assessed, collected, and paid upon any article processed or manufactured wholly or in chief value from such commodity and imported into the United States or any possession thereof to which this title applies, from any foreign country or from any possession of the United States to which this title does not apply, a compensating tax equal to the amount of the processing tax in effect with respect to domestic processing at the time of importation: *Provided*, That all taxes collected under this subsection upon articles coming from the possessions of the United States to which this title does not apply shall not be covered into the general fund of the Treasury of the United States but shall be held as a separate fund and paid into the Treasury of the said possessions, respectively, to be used and expended by the governments thereof for the benefit of agriculture. Such tax shall be paid prior to the release of the article from customs custody or control.

#### FLOOR STOCKS

SEC. 16. (a) Upon the sale or other disposition of any article processed wholly or in chief value from any commodity with respect to which a processing tax is to be levied, that on the date the tax first takes effect or wholly terminates with respect to the commodity, is held for sale or other disposition (including articles in transit) by any person, there shall be made a tax adjustment as follows:

(1) Whenever the processing tax first takes effect, there shall be levied, assessed, and collected a tax to be paid by such person equivalent to the amount of the processing tax which would be payable

with respect to the commodity from which processed if the processing had occurred on such date.

(2) Whenever the processing tax is wholly terminated, there shall be refunded to such person a sum (or if it has not been paid, the tax shall be abated) in an amount equivalent to the processing tax with respect to the commodity from which processed.

(b) The tax imposed by subsection (a) shall not apply to the retail stocks of persons engaged in retail trade, held at the date the processing tax first takes effect; but such retail stocks shall not be deemed to include stocks held in a warehouse on such date, or such portion of other stocks held on such date as are not sold or otherwise disposed of within thirty days thereafter. The tax refund or abatement provided in subsection (a) shall not apply to the retail stocks of persons engaged in retail trade, held on the date the processing tax is wholly terminated.

#### EXPORTATIONS

SEC. 17. (a) Upon the exportation to any foreign country (including the Philippine Islands, the Virgin Islands, American Samoa, and the island of Guam) of any product with respect to which a tax has been paid under this title, or of any product processed wholly or in chief value from a commodity with respect to which a tax has been paid under this title, the exporter thereof shall be entitled at the time of exportation to a refund of the amount of such tax.

(b) Upon the giving of bond satisfactory to the Secretary of the Treasury for the faithful observance of the provisions of this title requiring the payment of taxes, any person shall be entitled, without payment of the tax, to process for such exportation any commodity with respect to which a tax is imposed by this title, or to hold for such exportation any article processed wholly or in chief value therefrom.

#### EXISTING CONTRACTS

SEC. 18. (a) If (1) any processor, jobber, or wholesaler has, prior to the date a tax with respect to any commodity is first imposed under this title, made a bona fide contract of sale for delivery on or after such date, of any article processed wholly or in chief value from such commodity, and if (2) such contract does not permit the addition to the amount to be paid thereunder of the whole of such tax, then (unless the contract prohibits such addition) the vendee shall pay so much of the tax as is not permitted to be added to the contract price.

(b) Taxes payable by the vendee shall be paid to the vendor at the time the sale is consummated and shall be collected and paid to the United States by the vendor in the same manner as other taxes under this title. In case of failure or refusal by the vendee to pay such taxes to the vendor, the vendor shall report the facts to the Commissioner of Internal Revenue who shall cause collections of such taxes to be made from the vendee.

#### COLLECTION OF TAXES

SEC. 19. (a) The taxes provided in this title shall be collected by the Bureau of Internal Revenue under the direction of the Secretary

of the Treasury. Such taxes shall be paid into the Treasury of the United States.

(b) All provisions of law, including penalties, applicable with respect to the taxes imposed by section 600 of the Revenue Act of 1926, and the provisions of section 626 of the Revenue Act of 1932, shall, in so far as applicable and not inconsistent with the provisions of this title, be applicable in respect of taxes imposed by this title: *Provided*, That the Secretary of the Treasury is authorized to permit postponement, for a period not exceeding ninety days, of the payment of taxes covered by any return under this title.

(c) In order that the payment of taxes under this title may not impose any immediate undue financial burden upon processors or distributors, any processor or distributor subject to such taxes shall be eligible for loans from the Reconstruction Finance Corporation under section 5 of the Reconstruction Finance Corporation Act.

## TITLE II—AGRICULTURAL CREDITS

### PART 1—AMENDMENTS TO FEDERAL FARM LOAN ACT

#### ISSUANCE OF BONDS BY LAND BANKS

SECTION 21. Section 32 of the Federal Farm Loan Act, as amended (U.S.C., title 12, sec. 991), is amended by adding at the end thereof the following new paragraph:

“Until such time as the Farm Loan Commissioner determines that Federal farm-loan bonds (other than those issued under this paragraph) are readily salable in the open market at a yield not in excess of 4 per centum per annum, but in no case more than two years after this paragraph takes effect, Federal land banks may issue farm-loan bonds as authorized under this Act, for the purpose of making new loans, or for purchasing mortgages or exchanging bonds for mortgages as provided in paragraph ‘Second’ of section 13 of this Act. The aggregate amount of the bonds issued under this paragraph shall not exceed \$2,000,000,000, and such bonds shall be issued in such denominations as the Farm Loan Commissioner shall prescribe, shall bear interest at a rate not in excess of 4 per centum per annum, and shall be fully and unconditionally guaranteed as to interest by the United States, and such guaranty shall be expressed on the face thereof. In the event that it shall appear to the Farm Loan Commissioner that the issuing bank or banks will be unable to pay upon demand, when due, the interest on any such bonds, the Secretary of the Treasury shall, upon the request of the Commissioner, pay the amount thereof, which is hereby authorized to be appropriated out of any money in the Treasury not otherwise appropriated. Upon the payment of such interest by the Secretary of the Treasury the amount so paid shall become an obligation to the United States of the issuing bank or banks and shall bear interest at the same rate as that borne by the bonds upon which the interest has been so paid. After the expiration of one year from the date this paragraph takes effect, if in the opinion of the Farm Loan Commissioner any part of the proceeds of the bonds authorized to be issued under this paragraph is not required for the purpose of making new loans or for purchasing mortgages or exchanging bonds for mortgages as herein

provided, such bonds may be issued within the maximum limit herein specified for the purpose of refinancing any outstanding issues of Federal farm-loan bonds; but no such bonds shall be issued after two years from the date this paragraph takes effect for the purpose of such refinancing. Any borrower who obtains a loan from a Federal land bank after the date this paragraph takes effect may, at any time after the expiration of five years from the date such loan was made, tender to such bank on any regular installment date, bonds issued under this paragraph in an amount not to exceed the unpaid principal of his loan, and the bonds so tendered shall be accepted by the bank at par in payment of any part of such unpaid principal."

#### PURCHASE, REDUCTION, AND REFINANCING OF FARM MORTGAGES

SEC. 22. Paragraph "Second" of section 13 of the Federal Farm Loan Act, as amended, is amended by adding at the end thereof the following new sentence:

"In order to reduce and/or refinance farm mortgages, to invest such funds as may be in its possession in the purchase of first mortgages on farm lands situated within the Federal land-bank district within which it is organized or for which it is acting, or to exchange farm-loan bonds for any duly recorded first mortgages on farm lands executed prior to the date this paragraph, as amended, takes effect, at a price which shall not exceed in each individual case the amount of the unpaid principal of the mortgage on the date of such purchase or exchange, or 50 per centum of the normal value of the land mortgaged and 20 per centum of the value of the permanent insured improvements thereon as determined upon an appraisal made pursuant to this Act, whichever is the smaller: *Provided*, That any mortgagor whose mortgage is acquired by a Federal land bank under this paragraph shall be entitled to have his farm-mortgage indebtedness refinanced in accordance with the provisions of sections 7 and 8 of this Act on the basis of the amount paid by the bank for his mortgage."

#### EXTENSION OF LOANS

SEC. 23. Paragraph "Tenth" of section 13 of the Federal Farm Loan Act, as amended (U.S.C., title 12, sec. 781), is amended by adding at the end thereof the following: "The terms of any such extension shall be such as will not defer the collection of any obligation due by any borrower which, after investigation by the bank of the situation of such borrower, is shown to be within his capacity to meet. In the case of any such extension made prior to the expiration of five years from the date this paragraph as amended takes effect, or in the case of any deferment of principal as provided in paragraph 'Twelfth' of section 12 of this Act, it shall be the duty of the Secretary of the Treasury, on behalf of the United States, upon the request of the Federal land bank making the extension, and with the approval of the Farm Loan Commissioner, to subscribe at such periods as the Commissioner shall determine, to the paid-in surplus of such bank an amount equal to the amount of all such extensions and deferments made by the bank during the preceding period. Such subscriptions shall be subject to call, in whole or in part, by the bank with the approval of the Commissioner

upon thirty days' notice. To enable the Secretary of the Treasury to make such subscriptions to the paid-in surplus of the Federal land banks, there is hereby authorized to be appropriated the sum of \$50,000,000, to be immediately available and remain available until expended. Upon payment to any Federal land bank of the amount of any such subscription, such bank shall execute and deliver a receipt therefor to the Secretary of the Treasury in form to be prescribed by the Farm Loan Commissioner. The amount of any subscriptions to the paid-in surplus of any such bank may be repaid in whole or in part at any time in the discretion of the bank and with the approval of the Farm Loan Commissioner, and the Commissioner may at any time require such subscriptions to be repaid in whole or in part if in his opinion the bank has resources available therefor."

#### REDUCTION OF INTEREST ON LOANS AND DEFERMENT OF PRINCIPAL

SEC. 24. Section 12 of the Federal Farm Loan Act, as amended (U.S.C., title 12, secs. 771-772), is amended by adding at the end thereof the following new paragraph:

"Twelfth. Notwithstanding the provisions of paragraph 'Second,' the rate of interest on any loans on mortgage made through national farm-loan associations or through agents as provided in section 15, or purchased from joint-stock land banks, by any Federal land bank, outstanding on the date this paragraph takes effect or made through national farm-loan associations within two years after such date, shall not exceed  $4\frac{1}{2}$  per centum per annum for all interest payable on installment dates occurring within a period of five years commencing sixty days after the date this paragraph takes effect; and no payment of the principal portion of any installment of any such loan shall be required during such five-year period if the borrower shall not be in default with respect to any other condition or covenant of his mortgage. The foregoing provisions shall apply to loans made by Federal land banks through branches, except that the rate of interest on such loans for such five-year period shall be 5 per centum in lieu of  $4\frac{1}{2}$  per centum. The Secretary of the Treasury shall pay each Federal land bank, as soon as practicable after October 1, 1933, and after the end of each quarter thereafter, such amount as the Farm Loan Commissioner certifies to the Secretary of the Treasury is equal to the amount by which interest payments on mortgages held by such bank have been reduced, during the preceding quarter, by reason of this paragraph; but in any case in which the Farm Loan Commissioner finds that the amount of interest payable by such bank during any quarter has been reduced by reason of the refinancing of bonds under section 32 of this Act, the amount of the reduction so found shall be deducted from the amount payable to such bank under this paragraph. No payments shall be made to a bank with respect to any period after June 30, 1938. There is authorized to be appropriated, out of any money in the Treasury not otherwise appropriated, the sum of \$15,000,000 for the purpose of enabling the Secretary of the Treasury to make payments to Federal land banks which accrue during the fiscal year ending June 30, 1934, and such additional amounts as may be necessary to make payments accruing during subsequent fiscal years.

## INCREASE OF AMOUNT OF LOANS TO BORROWERS

SEC. 25. Paragraph "Seventh" of section 12 of the Federal Farm Loan Act, as amended (U.S.C., title 12, sec. 771) (relating to the limitations as to amount of loans), is amended by striking out "\$25,000" and inserting "\$50,000, but loans to any one borrower shall not exceed \$25,000 unless approved by the Farm Loan Commissioner."

## DIRECT LOANS

SEC. 26. Section 7 of the Federal Farm Loan Act, as amended, is amended by striking out the last paragraph and inserting in lieu thereof the following new paragraphs:

"Whenever it shall appear to the Farm Loan Commissioner that national farm-loan associations have not been formed in any locality in the continental United States, or that the farmers residing in the territory covered by the charter of a national farm-loan association are unable to apply to the Federal land bank of the district for loans on account of the inability of the bank to accept applications from such association, the Farm Loan Commissioner shall authorize said bank to make direct loans to borrowers secured by first mortgages on farm lands situated within any such locality or territory. Except as herein otherwise specifically provided, all provisions of this Act applicable with respect to loans made through national farm-loan associations shall, insofar as practicable, apply with respect to such direct loans, and the Farm Loan Commissioner is authorized to make such rules and regulations as he may deem necessary with respect to such direct loans.

"The rate of interest on such direct loans made at any time by any Federal land bank shall be one-half of 1 per centum per annum in excess of the rate of interest charged to borrowers on mortgage loans made at such time by the bank through national farm-loan associations.

"Each borrower who obtains a direct loan from a Federal land bank shall subscribe and pay for stock in such bank in the sum of \$5 for each \$100 or fraction thereof borrowed. Such stock shall be held by such Federal land bank as collateral security for the loan of the borrower and shall participate in all dividends. Upon full payment of the loan such stock shall, if still outstanding, be canceled at par, or, in the event that such stock shall have become impaired, at the estimated value thereof as approved by the Farm Loan Commissioner, and the proceeds thereof shall be paid to the borrower.

"Each such borrower may covenant in his mortgage that, whenever there are ten or more borrowers who have obtained from a Federal land bank direct loans under the provisions of this section aggregating not less than \$20,000, and who reside in a locality which may, in the opinion of the Farm Loan Commissioner, be conveniently covered by the charter of and served by a national farm-loan association, he will unite with such other borrowers to form a national farm-loan association. Such borrowers shall organize the association subject to the requirements and the conditions specified in this section, so far as the same may be applicable, and in accordance with

rules and regulations of the Farm Loan Commissioner. As soon as the organization of the association has been approved by the Farm Loan Commissioner, the stock in the Federal land bank held by each of the members of such association shall be canceled at par, and in lieu thereof the bank shall issue in the name of the association an equal amount of stock in said bank, which stock shall be held by said bank as collateral security as provided in this section with respect to other loans through national farm-loan associations. Thereupon there shall be issued to each such member an amount of capital stock in the association equal to the amount which he previously held in said bank, which stock shall be held by said association as collateral security as provided in section 8 of this Act. The board of directors of said association shall adopt a resolution authorizing and directing its secretary-treasurer on behalf of said association to endorse, and thereby become liable for the payment of, the mortgages taken from its charter members by the Federal land bank. When it shall appear to the satisfaction of the Farm Loan Commissioner that all the foregoing conditions have been complied with, and upon the granting of the charter by the Farm Loan Commissioner, the interest rate paid by each charter member of such association whose loan is in good standing shall, beginning with his next regular installment date, be reduced to the rate of interest paid by borrowers on new loans made through national farm-loan associations in the same Federal land-bank district at the time the said loan was made to such charter member.

“Charges to be paid by applicants for direct loans from a Federal land bank shall not exceed amounts to be fixed by the Farm Loan Commissioner and shall in no case exceed the charges which may be made to applicants for loans and borrowers through national farm-loan associations under the provisions of sections 11 and 13 of this Act.”

#### LOANS TO RECEIVERS

SEC. 27. Any receiver appointed by the Federal Farm Loan Board pursuant to section 29 of the Federal Farm Loan Act, as amended, or any receiver appointed by a district court of the United States, is authorized, for the purpose of paying taxes on farm real estate owned by the bank or securing the mortgages held by it, with the approval of the Farm Loan Commissioner, to borrow from the Reconstruction Finance Corporation and to issue receiver's certificates against the assets of such bank as security for any loan received from the Corporation under this section, and such certificates shall constitute a prior lien on such assets. The Reconstruction Finance Corporation is authorized to make loans to such receivers for the purposes of this section.

#### FEDERAL FARM-LOAN BONDS AS SECURITY FOR ADVANCES BY FEDERAL RESERVE BANKS

SEC. 28. The eighth paragraph of section 13 of the Federal Reserve Act, as amended, is amended by inserting before the period at the end thereof a comma and the following: “or by the deposit or pledge

of bonds issued pursuant to the paragraph added to section 32 of the Federal Farm Loan Act, as amended by section 21 of the Emergency Farm Mortgage Act of 1933."

## PART 2—JOINT-STOCK LAND BANKS

### LIMITATIONS ON ISSUE OF BONDS AND LENDING

SEC. 29. After the date of enactment of this Act, no joint-stock land bank shall issue any tax-exempt bonds or make any farm loans except such as are necessary and incidental to the refinancing of existing loans or bond issues or to the sale of any real estate now owned or hereafter acquired by such bank.

### LOANS TO JOINT-STOCK LAND BANKS TO PROVIDE FOR ORDERLY LIQUIDATION

SEC. 30. (a) The Reconstruction Finance Corporation is authorized and directed to make available to the Farm Loan Commissioner, out of the funds of the Corporation, the sum of \$100,000,000, to be used, for a period not exceeding two years from the date of enactment of this Act, for the purpose of making loans to the joint-stock land banks organized and doing business under the Federal Farm Loan Act, as amended, at a rate of interest not to exceed 4 per centum per annum, payable annually. Such loans shall be made upon application therefor by such banks and upon compliance with the requirements of this section. The amount which may be loaned hereunder to any such bank shall not exceed an amount having the same proportion to the said \$100,000,000 as the unpaid principal of the mortgages held by such bank on the date of enactment of this Act bears to the total amount of the unpaid principal of the mortgages held by all the joint-stock land banks on such date.

(b) Any joint-stock land bank applying for a loan under this section shall deliver to the Farm Loan Commissioner as collateral security therefor first mortgages or purchase-money mortgages on farm lands, first mortgages on farm real estate owned by the bank in fee simple, or such other collateral as may be available to said bank, including sales contracts and sheriff's certificates on farm lands. The real estate upon which such collateral is based shall be appraised by appraisers appointed under the Federal Farm Loan Act, as amended, and the borrowing bank shall be entitled to borrow not to exceed 60 per centum of the normal value of such real estate as determined by such appraisal. Fees for such appraisals shall be paid by the applicant banks in such amounts as may be fixed by the Farm Loan Commissioner. No such loan shall be made until the applicant bank, under regulations to be prescribed by the Farm Loan Commissioner, (1) shall have agreed to grant to each borrower then indebted to the bank under the terms of a first mortgage a reduction to 5 per centum per annum in the rate of interest specified in such mortgage, beginning at his next regular installment date occurring more than sixty days after the date of enactment of this Act, and (2) shall have agreed to the satisfaction of the Commissioner that during a period of two years from the date of enactment of this Act the bank will not proceed against the mortgagor on account of default in the payment of interest or principal due under

the terms of its mortgage and will not foreclose its mortgage unless the property covered by such mortgage is abandoned by the mortgagor or unless, in the opinion of the Commissioner, such foreclosure is necessary for other reasons. Such loans shall be made to aid the orderly liquidation of any such bank in accordance with such plan as may be approved by the Farm Loan Commissioner. Before any such plan is approved by the Commissioner he shall be satisfied that the plan carries out the purposes of this section and that such part of the proceeds of the loan as is devoted to settlements with bondholders will be used only to effect an equitable settlement with all bondholders. After the plan has been approved by the Commissioner he shall require the bank to mail a copy thereof to all its known bondholders and to publish a notice setting forth its provisions in at least three newspapers having general circulation.

LOANS BY THE FARM LOAN COMMISSIONER TO JOINT-STOCK LAND BANKS  
FOR EMERGENCY PURPOSES

SEC. 31. (a) Out of the funds made available to him under section 30, the Farm Loan Commissioner is authorized to make loans, in an aggregate amount not exceeding \$25,000,000, at a rate of interest not to exceed 4 per centum per annum, to any joint-stock land bank for the purpose of securing the postponement for two years from the date of the enactment of this Act of the foreclosure of first mortgages held by such banks on account of (1) default in the payment of interest and principal due under the terms of the mortgage, and (2) unpaid delinquent taxes, excluding interest and penalties, which may be secured by the lien of said mortgage: *Provided*, That during the period of postponement of foreclosure such bank shall charge the mortgagor interest at a rate not exceeding 4 per centum per annum on the aggregate amount of such delinquent taxes and defaulted interest and principal with respect to which loans are made pursuant to this section. The amount loaned to any joint-stock land bank under this section shall be made without reappraisal: *Provided*, That the amount loaned with respect to any mortgage on account of unpaid principal shall not exceed 5 per centum of the total unpaid principal of such mortgage, and the total amount loaned to any such land bank with respect to any mortgage shall not exceed 25 per centum of the total unpaid principal of such mortgage.

(b) No such loan shall be made with respect to any mortgage unless the Farm Loan Commissioner is satisfied that the mortgagor, after exercising ordinary diligence to pay his accrued delinquent taxes, and meet accrued interest and principal payments, has defaulted thereon; and unless the bank shall have agreed to the satisfaction of the Farm Loan Commissioner that during such two-year period the bank will not foreclose such mortgage unless the property covered thereby is abandoned by the mortgagor or unless in the opinion of the Farm Loan Commissioner such foreclosure is necessary for other reasons.

(c) Each such loan shall be secured by an assignment to the Farm Loan Commissioner of the lien of the taxes and/or of the bank's mortgage with respect to which the loan is made: *Provided*, That the part of each such lien so assigned representing the interest and principal due and unpaid in any such mortgage which has been

assigned to the farm loan registrar shall be subordinate to the existing lien of the bank for the balance of the indebtedness then or thereafter to become due under the terms of such mortgage; but the Farm Loan Commissioner may require the bank to furnish additional collateral as security for such loan, if such collateral is available to the bank.

(d) The Farm Loan Commissioner is authorized to make such rules and regulations as may be necessary to carry out the purposes of this section and to make the relief contemplated immediately available.

### PART 3—LOANS TO FARMERS BY FARM LOAN COMMISSIONER

#### REDUCTION OF DEBTS AND REDEMPTION OF FORECLOSED FARMS

SEC. 32. The Reconstruction Finance Corporation is authorized and directed to allocate and make available to the Farm Loan Commissioner the sum of \$200,000,000, or so much thereof as may be necessary, to be used for the purpose of making loans as hereinafter provided to any farmer, secured by a first or second mortgage upon the whole or any part of the farm property, real or personal, including crops, of the farmer. The amount of the mortgage given by any farmer, together with all prior mortgages or other evidences of indebtedness secured by such farm property of the farmer, shall not exceed 75 per centum of the normal value thereof, as determined upon an appraisal made pursuant to the Federal Farm Loan Act, as amended; nor shall a loan in excess of \$5,000, be made to any one farmer. Every mortgage made under this section shall contain an agreement providing for the repayment of the loan on an amortization plan by means of a fixed number of annual or semiannual installments, sufficient to cover (1) interest on unpaid principal at a rate not to exceed 5 per centum per annum and (2) such payments equal in amount to be applied on principal as will extinguish the debt within an agreed period of not more than ten years or, in the case of a first or second mortgage secured wholly by real property and made for the purpose of reducing and refinancing an existing mortgage within an agreed period no greater than that for which loans may be made under the Federal Farm Loan Act, as amended, from the date the first payment on principal is due: *Provided*, That during the first three years the loan is in effect payments of interest only may be required if the borrower shall not be in default with respect to any other condition or covenant of his mortgage. No loan shall be made under this section unless the holder of any prior mortgage or instrument of indebtedness secured by such farm property arranges to the satisfaction of the Farm Loan Commissioner to limit his right to proceed against the farmer and such farm property for default in payment of principal. Loans under this section shall be made for the following purposes only: (1) Refinancing, either in connection with proceedings under chapter VIII of the Bankruptcy Act of July 1, 1898, as amended (relating to agricultural compositions and extensions), or otherwise, any indebtedness, secured or unsecured, of the farmer, (2) providing working capital for his farm operations, and (3) enabling any farmer to redeem and/or repurchase farm property owned by him

prior to foreclosure which has been foreclosed at any time between July 1, 1931, and the date of the enactment of this Act, or which is foreclosed after the enactment of this Act. The provisions of paragraph "Ninth" of section 13 of the Federal Farm Loan Act, as amended (relating to charges to applicants for loans and borrowers from the Federal land banks), shall, so far as practicable, apply to loans made under this section. As used in this section, the term "farmer" means any individual who is bona fide engaged in farming operations, either personally or through an agent or tenant, or the principal part of whose income is derived from farming operations, and includes a personal representative of a deceased farmer.

#### REGULATIONS

SEC. 33. The Farm Loan Commissioner is authorized to make such rules and regulations, and to appoint, employ, and fix the compensation of such officers, employees, attorneys, and agents as may be necessary to carry out the purposes of this title and to make the relief contemplated by this title immediately available, without regard to the provisions of other laws applicable to the employment and compensation of officers and employees of the United States: *Provided*, That no salary or compensation in excess of \$10,000 shall be paid to any person employed under the terms of the foregoing section.

#### PART 4—REFINANCING OF AGRICULTURAL IMPROVEMENT DISTRICT

##### INDEBTEDNESS FOR THE BENEFIT OF FARMERS

##### LOANS BY RECONSTRUCTION FINANCE CORPORATION

SEC. 36. The Reconstruction Finance Corporation is authorized and empowered to make loans as hereinafter provided, in an aggregate amount not exceeding \$50,000,000; to drainage districts, levee districts, levee and drainage districts, irrigation districts, and similar districts, duly organized under the laws of any State, and to political subdivisions of States, which prior to the date of enactment of this Act, have completed projects devoted chiefly to the improvement of lands for agricultural purposes. Such loans shall be made for the purpose of

enabling any such district or political subdivision (hereafter referred to as the "borrower") to reduce and refinance its outstanding indebtedness incurred in connection with any such project, and shall be subject to the same terms and conditions as loans made under section 5 of the Reconstruction Finance Corporation Act, as amended; except that (1) the term of any such loan shall not exceed forty years; (2) each such loan shall be secured by refunding bonds issued to the Corporation by the borrower which are a lien on the real property within the project or on the amount of the assessments levied on such property by the borrower pursuant to State law, or by such other collateral as may be acceptable to the Corporation; (3) the borrower shall agree not to issue during the term of the loan any bonds so secured except with the consent of the Corporation; (4) the borrower shall pay to the Corporation, until all bonds of the borrower held by the Corporation are retired, an amount equal to the amount by which the assessments against the real property within the project collected by the borrower exceed the costs of operation and maintenance of the project and interest on its outstanding obligations; and (5) the borrower shall agree, to the satisfaction of the Corporation, to reduce the outstanding indebtedness to the borrower of the landowners within such project by an amount corresponding to that by which the indebtedness of the borrower is reduced by reason of the operation of this section, to distribute the amount of such reduction among such landowners on a pro rata basis, to cancel and retire its outstanding bonds in an aggregate amount equal to the amount of the reduction so distributed, and to permit the Corporation, in the case of the payment of the bonds of the borrower or the liquidation of such project, to participate in such payment or in the proceeds of such liquidation on the basis of the face amount of the bonds so retired plus the face amount of the bonds held by the Corporation as security for the loan. No loan shall be made under this section until the Reconstruction Finance Corporation (A) has caused an appraisal to be made of the property securing and/or underlying the outstanding bonds of the applicant, (B) has determined that the project of the applicant is economically sound, and (C) has been satisfied that an agreement has been entered into between the applicant and the holders of its outstanding bonds under which the applicant will be able to purchase or refund such bonds at a price determined by the Corporation to be reasonable after taking into consideration the average market price of such bonds over the six months' period ending March 1, 1933, and under which a substantial reduction will be brought about in the amount of the outstanding indebtedness of the applicant.

SEC. 37. The Reconstruction Finance Corporation, upon request of the Secretary of the Interior, is authorized and empowered to advance from funds made available by section 2 of the Act of January 22, 1932 (47 Stat.L. 5), to the reclamation fund created by the Act of June 17, 1902 (32 Stat.L. 388), such sum or sums as the Secretary of the Interior may deem necessary, not exceeding \$5,000,000, for the completion of projects or divisions of projects now under construction, or projects approved and authorized. Funds so advanced shall be repaid out of any receipts and accretions accruing to the reclamation fund within such time as may be fixed by

the Reconstruction Finance Corporation, not exceeding five years from the date of advance, with interest at the rate of 4 per centum per annum. Sums so advanced may be expended in the same way as other moneys in the reclamation fund.

#### PART 5—INCREASE OF LENDING POWER OF RECONSTRUCTION FINANCE CORPORATION

In order to provide funds to carry out the purposes of this title, the amount of notes, debentures, bonds, or other such obligations which the Reconstruction Finance Corporation is authorized and empowered under section 9 of the Reconstruction Finance Corporation Act, as amended, to have outstanding at any one time, is hereby increased by \$300,000,000.

#### PART 6—FUNCTIONS OF FARM LOAN COMMISSIONER UNDER EXECUTIVE ORDERS

SEC. 39. If and when any executive order heretofore transmitted to the Congress pursuant to title IV of part II of the Legislative Appropriation Act of 1933, as amended, shall become effective, all functions, powers, authority, and duties conferred upon or vested in the Farm Loan Commissioner by this title shall be held and exercised by him subject to all the terms and conditions in any such Executive order the same as if such functions, powers, authority, and duties were specifically named in such Executive order or orders.

#### PART 7—MISCELLANEOUS

#### PART 8—SHORT TITLE

SEC. 42. This title may be cited as the "Emergency Farm Mortgage Act of 1933."

#### TITLE III—FINANCING—AND EXERCISING POWER CONFERRED BY SECTION 8 OF ARTICLE I OF THE CONSTITUTION: TO COIN MONEY AND TO REGULATE THE VALUE THEREOF

SEC. 43. Whenever the President finds, upon investigation, that (1) the foreign commerce of the United States is adversely affected by reason of the depreciation in the value of the currency of any other government or governments in relation to the present standard value of gold, or (2) action under this section is necessary in order to regulate and maintain the parity of currency issues of the United States, or (3) an economic emergency requires an expansion of credit, or (4) an expansion of credit is necessary to secure by international agreement a stabilization at proper levels of the currencies of various governments, the President is authorized, in his discretion—

(a) To direct the Secretary of the Treasury to enter into agreements with the several Federal Reserve banks and with the Federal Reserve Board whereby the Federal Reserve Board will, and it is hereby authorized to, notwithstanding any provisions of law or rules and regulations to the contrary, permit such reserve banks to agree that they will, (1) conduct, pursuant to existing law, throughout specified periods, open market operations in obligations of the United States Government or corporations in which the United States is the majority stockholder, and (2) purchase directly and hold in portfolio for an agreed period or periods of time Treasury bills or other obligations of the United States Government in an aggregate sum of \$3,000,000,000 in addition to those they may then hold, unless prior to the termination of such period or periods the Secretary shall consent to their sale. No suspension of reserve requirements of the Federal Reserve banks, under the terms of section 11(c) of the Federal Reserve Act, necessitated by reason of operations under this section, shall require the imposition of the graduated tax upon any deficiency in reserves as provided in said section 11(c). Nor shall it require any automatic increase in the rates of interest or discount charged by any Federal Reserve bank, as otherwise specified in that section. The Federal Reserve Board, with the approval of the Secretary of the Treasury, may require the Federal Reserve banks to take such action as may be necessary, in the judgment of the Board and of the Secretary of the Treasury, to prevent undue credit expansion.

(b) If the Secretary, when directed by the President, is unable to secure the assent of the several Federal Reserve banks and the Federal Reserve Board to the agreements authorized in this section, or if operations under the above provisions prove to be inadequate to meet the purposes of this section, or if for any other reason

additional measures are required in the judgment of the President to meet such purposes, then the President is authorized—

(1) To direct the Secretary of the Treasury to cause to be issued in such amount or amounts as he may from time to time order, United States notes, as provided in the Act entitled "An Act to authorize the issue of United States notes and for the redemption of funding thereof and for funding the floating debt of the United States", approved February 25, 1862, and Acts supplementary thereto and amendatory thereof, in the same size and of similar color to the Federal Reserve notes heretofore issued and in denominations of \$1, \$5, \$10, \$20, \$50, \$100, \$500, \$1,000, and \$10,000; but notes issued under this subsection shall be issued only for the purpose of meeting maturing Federal obligations to repay sums borrowed by the United States and for purchasing United States bonds and other interest-bearing obligations of the United States: *Provided*, That when any such notes are used for such purpose the bond or other obligation so acquired or taken up shall be retired and canceled. Such notes shall be issued at such times and in such amounts as the President may approve but the aggregate amount of such notes outstanding at any time shall not exceed \$3,000,000,000. There is hereby appropriated, out of any money in the Treasury not otherwise appropriated, an amount sufficient to enable the Secretary of the Treasury to retire and cancel 4 per centum annually of such outstanding notes, and the Secretary of the Treasury is hereby directed to retire and cancel annually 4 per centum of such outstanding notes. Such notes and all other coins and currencies heretofore or hereafter coined or issued by or under the authority of the United States shall be legal tender for all debts public and private.

(2) By proclamation to fix the weight of the gold dollar in grains nine tenths fine and also to fix the weight of the silver dollar in grains nine tenths fine at a definite fixed ratio in relation to the gold dollar at such amounts as he finds necessary from his investigation to stabilize domestic prices or to protect the foreign commerce against the adverse effect of depreciated foreign currencies, and to provide for the unlimited coinage of such gold and silver at the ratio so fixed, or in case the Government of the United States enters into an agreement with any government or governments under the terms of which the ratio between the value of gold and other currency issued by the United States and by any such government or governments is established, the President may fix the weight of the gold dollar in accordance with the ratio so agreed upon, and such gold dollar, the weight of which is so fixed, shall be the standard unit of value, and all forms of money issued or coined by the United States shall be maintained at a parity with this standard and it shall be the duty of the Secretary of the Treasury to maintain such parity, but in no event shall the weight of the gold dollar be fixed so as to reduce its present weight by more than 50 per centum.

SEC. 44. The Secretary of the Treasury, with the approval of the President, is hereby authorized to make and promulgate rules and regulations covering any action taken or to be taken by the President under subsection (a) or (b) of section 43.

SEC. 45. (a) The President is authorized, for a period of six months from the date of the passage of this Act, to accept silver in payment of the whole or any part of the principal or interest now due, or to become due within six months after such date, from any foreign government or governments on account of any indebtedness to the United States, such silver to be accepted at not to exceed the price of 50 cents an ounce in United States currency. The aggregate value of the silver accepted under this section shall not exceed \$200,000,000.

(b) The silver bullion accepted and received under the provisions of this section shall be subject to the requirements of existing law and the regulations of the mint service governing the methods of determining the amount of pure silver contained, and the amount of the charges or deductions, if any, to be made; but such silver bullion shall not be counted as part of the silver bullion authorized or required to be purchased and coined under the provisions of existing law.

(c) The silver accepted and received under the provisions of this section shall be deposited in the Treasury of the United States, to be held, used, and disposed of as in this section provided.

(d) The Secretary of the Treasury shall cause silver certificates to be issued in such denominations as he deems advisable to the total number of dollars for which such silver was accepted in payment of debts. Such silver certificates shall be used by the Treasurer of the United States in payment of any obligations of the United States.

(e) The silver so accepted and received under this section shall be coined into standard silver dollars and subsidiary coins sufficient, in the opinion of the Secretary of the Treasury, to meet any demands for redemption of such silver certificates issued under the provisions of this section, and such coins shall be retained in the Treasury for the payment of such certificates on demand. The silver so accepted and received under this section, except so much thereof as is coined under the provisions of this section, shall be held in the Treasury for the sole purpose of aiding in maintaining the parity of such certificates as provided in existing law. Any such certificates or reissued certificates, when presented at the Treasury, shall be redeemed in standard silver dollars, or in subsidiary silver coin, at the option of the holder of the certificates: *Provided*, That, in the redemption of such silver certificates issued under this section, not to exceed one third of the coin required for such redemption may in the judgment of the Secretary of the Treasury be made in subsidiary coins, the balance to be made in standard silver dollars.

(f) When any silver certificates issued under the provisions of this section are redeemed or received into the Treasury from any source whatsoever, and belong to the United States, they shall not be retired, canceled, or destroyed, but shall be reissued and paid out again and kept in circulation; but nothing herein shall prevent the cancellation and destruction of mutilated certificates and the issue of other certificates of like denomination in their stead, as provided by law.

(g) The Secretary of the Treasury is authorized to make rules and regulations for carrying out the provisions of this section.

SEC. 46. Section 19 of the Federal Reserve Act, as amended, is amended by inserting immediately after paragraph (c) thereof the following new paragraph:

(b) Section 2 of the Agricultural Adjustment Act, as amended, is amended by striking out subsections (2) and (3) and inserting in lieu thereof the following:

"(2) To protect the interest of the consumer by (a) approaching the level of prices which it is declared to be the policy of Congress to establish in subsection (1) of this section by gradual correction of the current level at as rapid a rate as the Secretary of Agriculture deems to be in the public interest and feasible in view of the current consumptive demand in domestic and foreign markets, and (b) authorizing no action under this title which has for its purpose the maintenance of prices to farmers above the level which it is declared to be the policy of Congress to establish in subsection (1) of this section."

SEC. 2. Section 8 of the Agricultural Adjustment Act, as amended, is amended by striking out everything preceding subsection (2) and inserting in lieu thereof the following:

"(1) Whenever the Secretary of Agriculture has reason to believe that:

"(a) The current average farm price for any basic agricultural commodity is less than the fair exchange value thereof, or the average farm price of such commodity is likely to be less than the fair exchange value thereof for the period in which the production of such commodity during the current or next succeeding marketing year is normally marketed, and

"(b) The conditions of and factors relating to the production, marketing, and consumption of such commodity are such that the exercise of any one or more of the powers conferred upon the Secretary under subsections (2) and (3) of this section would tend to effectuate the declared policy of this title,

he shall cause an immediate investigation to be made to determine such facts. If, upon the basis of such investigation, the Secretary

finds the existence of such facts, he shall proclaim such determination and shall exercise such one or more of the powers conferred upon him under subsections (2) and (3) of this section as he finds, upon the basis of an investigation, administratively practicable and best calculated to effectuate the declared policy of this title.

"(2) Subject to the provisions of subsection (1) of this section, the Secretary of Agriculture shall provide, through agreements with producers or by other voluntary methods,

"(a) For such adjustment in the acreage or in the production for market, or both, of any basic agricultural commodity, as he finds, upon the basis of the investigation made pursuant to subsection (1) of this section, will tend to effectuate the declared policy of this title, and to make such adjustment program practicable to operate and administer, and

"(b) For rental or benefit payments in connection with such agreements or methods in such amounts as he finds, upon the basis of such investigation, to be fair and reasonable and best calculated to effectuate the declared policy of this title and to make such program practicable to operate and administer, to be paid out of any moneys available for such payments or, subject to the consent of the producer, to be made in quantities of one or more basic agricultural commodities acquired by the Secretary pursuant to this title.

"(3) Subject to the provisions of subsection (1) of this section, the Secretary of Agriculture shall make payments, out of any moneys available for such payments, in such amounts as he finds, upon the basis of the investigation made pursuant to subsection (1) of this section, to be fair and reasonable and best calculated to effectuate the declared policy of this title:

"(a) To remove from the normal channels of trade and commerce quantities of any basic agricultural commodity or product thereof;

"(b) To expand domestic or foreign markets for any basic agricultural commodity or product thereof;

"(c) In connection with the production of that part of any basic agricultural commodity which is required for domestic consumption.

"(4) Whenever, during a period during which any of the powers conferred in subsection (2) or (3) is being exercised, the Secretary of Agriculture has reason to believe that, with respect to any basic agricultural commodity:

"(a) The current average farm price for such commodity is not less than the fair exchange value thereof, and the average farm price for such commodity is not likely to be less than the fair exchange value thereof for the period in which the production of such commodity during the current or next succeeding marketing year is normally marketed, or

"(b) The conditions of and factors relating to the production, marketing, and consumption of such commodity are such that none of the powers conferred in subsections (2) and (3), and no combination of such powers, would, if exercised, tend to effectuate the declared policy of this title, he shall cause an immediate investigation to be made to determine such facts. If, upon the basis of such investigation, the Secretary

finds the existence of such facts, he shall proclaim such determination, and shall not exercise any of such powers with respect to such commodity after the end of the marketing year current at the time when such proclamation is made and prior to a new proclamation under subsection (1) of this section, except insofar as the exercise of such power is necessary to carry out obligations of the Secretary assumed, prior to the date of such proclamation made pursuant to this subsection, in connection with the exercise of any of the powers conferred upon him under subsections (2) or (3) of this section.

"(5) In the course of any investigation required to be made under subsection (1) or subsection (4) of this section, the Secretary of Agriculture shall hold one or more hearings, and give due notice and opportunity for interested parties to be heard.

"(6) No payment under this title made in an agricultural commodity acquired by the Secretary in pursuance of this title shall be made in a commodity other than that in respect of which the payment is being made. For the purposes of this subsection, hogs and field corn may be considered as one commodity.

"(7) In the case of sugar beets or sugarcane, in the event that it shall be established to the satisfaction of the Secretary of Agriculture that returns to growers or producers, under the contracts for the 1933-1934 crop of sugar beets or sugarcane, entered into by and between the processors and producers and/or growers thereof, were reduced by reason of the payment of the processing tax, and/or the corresponding floor stocks tax, on sugar beets or sugarcane, in addition to the foregoing rental or benefit payments, the Secretary of Agriculture shall make such payments, representing in whole or in part such tax, as the Secretary deems fair and reasonable, to producers who agree, or have agreed, to participate in the program for reduction in the acreage or reduction in the production for market, or both, of sugar beets or sugarcane.

"(8) In the case of rice, the Secretary of Agriculture, in exercising the power conferred upon him by subsection (2) of this section to provide for rental or benefit payments, is directed to provide in any agreement entered into by him with any rice producer pursuant to such subsection, upon such terms and conditions as the Secretary determines will best effectuate the declared policy of this title, that the producer may pledge for production credit in whole or in part his right to any rental or benefit payments under the terms of such agreement and that such producer may designate therein a payee to receive such rental or benefit payments.

"(9) Under regulations of the Secretary of Agriculture requiring adequate facilities for the storage of any nonperishable agricultural commodity on the farm, inspection and measurement of any such commodity so stored, and the locking and sealing thereof, and such other regulations as may be prescribed by the Secretary of Agriculture for the protection of such commodity and for the marketing thereof, a reasonable percentage of any benefit payment may be advanced on any such commodity so stored. In any such case, such deduction may be made from the amount of the benefit payment as the Secretary of Agriculture determines will reasonably compensate for the cost of inspection and sealing but no deduction may be made for interest."

SEC. 3. The first sentence of subsection (b) of section 12 of the Agricultural Adjustment Act, as amended, is amended to read as follows: "In addition to the foregoing, for the purpose of effectuating the declared policy of this title, a sum equal to the proceeds derived from all taxes imposed under this title is hereby appropriated to be available to the Secretary of Agriculture for (1) the acquisition of any agricultural commodity pledged as security for any loan made by any Federal agency, which loan was conditioned upon the borrower agreeing or having agreed to cooperate with a program of production adjustment or marketing adjustment adopted under the authority of this title, and (2) the following purposes under part 2 of this title: Administrative expenses, payments authorized to be made under section 8, and refunds on taxes."

SEC. 4. Subsection (2) of section 8 of the Agricultural Adjustment Act, as amended, is amended by designating said subsection as section 8b, by inserting said section at the end of section 8a, and by amending the first sentence thereof to read as follows: "In order to effectuate the declared policy of this title, the Secretary of Agriculture shall have the power, after due notice and opportunity for hearing, to enter into marketing agreements with processors, producers, associations of producers, and others engaged in the handling of any agricultural commodity or product thereof, only with respect to such handling as is in the current of interstate or foreign commerce or which directly burdens, obstructs, or affects, interstate or foreign commerce in such commodity or product thereof."

“(C) In order to accomplish the purposes set forth in paragraphs (A) and (B) of this subsection (5), providing a method for making adjustments in payments, as among handlers (including producers who are also handlers), to the end that the total sums paid by each handler shall equal the value of the milk purchased by him at the prices fixed in accordance with paragraph (A) hereof.

“(D) Providing that, in the case of all milk purchased by handlers from any producer who did not regularly sell milk during a period of 30 days next preceding the effective date of such order for consumption in the area covered thereby, payments to such producer, for the period beginning with the first regular delivery by such producer and continuing until the end of two full calendar months following the first day of the next succeeding calendar month, shall be made at the price for the lowest use classification specified in such order, subject to the adjustments specified in paragraph (B) of this subsection (5).

SEC. 7. Subsection (5) of section 8 of the Agricultural Adjustment Act, as amended, is further amended by designating said subsection as section 8f, by inserting said section at the end of section 8e, and by striking out the last sentence thereof.

SEC. 8. Subsection (1) of section 8a of the Agricultural Adjustment Act, as amended, is amended as follows:

(b) by striking out the phrase "or in competition with" and the comma following such phrase in paragraph (B);

(c) by inserting the word "directly" before the words "to burden" in paragraph (B);

(d) by striking out the words "in any way" in paragraph (B).

SEC. 9. Subsection (6) of section 8a of the Agricultural Adjustment Act, as amended, is amended by inserting the word "or" after the comma following the word "regulation," and by striking out the words "or license".

SEC. 11. (a) Subsection (a) of section 9 of the Agricultural Adjustment Act, as amended, is amended by striking out all of the second sentence preceding the semicolon and inserting in lieu thereof the following: "When the Secretary of Agriculture determines that any one or more payments authorized to be made under section 8 are to be made with respect to any basic agricultural commodity, he shall proclaim such determination, and a processing tax shall be in effect with respect to such commodity from the beginning of the marketing year therefor next following the date of such proclamation".

(b) The eighth sentence of such subsection (a) is amended by striking out "rental or benefit payments" and inserting in lieu thereof: "all payments authorized under section 8 which are in effect".

SEC. 12. Subsection (b) of section 9 of the Agricultural Adjustment Act, as amended, is amended to read as follows:

" TAX RATE GENERALLY

"(b) (1) The processing tax shall be at such rate as equals the difference between the current average farm price for the commodity and the fair exchange value of the commodity, plus such percentage of such difference, not to exceed 20 per centum, as the Secretary of Agriculture may determine will result in the collection, in any marketing year with respect to which such rate of tax may be in effect pursuant to the provisions of this title, of an amount of tax equal to (A) the amount of credits or refunds which he estimates will be allowed or made during such period pursuant to section 15 (c) with respect to the commodity and (B) the amount of tax which he estimates would have been collected during such period upon all

processings of such commodity which are exempt from tax by reason of the fact that such processings are done by or for a State, or a political subdivision or an institution thereof, had such processings been subject to tax. If, prior to the time the tax takes effect, or at any time thereafter, the Secretary has reason to believe that the tax at such rate, or at the then existing rate, on the processing of the commodity generally or for any designated use or uses, or on the processing of the commodity in the production of any designated product or products thereof for any designated use or uses, will cause or is causing such reduction in the quantity of the commodity or products thereof domestically consumed as to result in the accumulation of surplus stocks of the commodity or products thereof or in the depression of the farm price of the commodity, then the Secretary shall cause an appropriate investigation to be made, and afford due notice and opportunity for hearing to interested parties. If thereupon the Secretary determines and proclaims that any such result will occur or is occurring, then the processing tax on the processing of the commodity generally or for any designated use or uses, or on the processing of the commodity in the production of any designated product or products thereof for any designated use or uses, shall be at such lower rate or rates as he determines and proclaims will prevent such accumulation of surplus stocks and depression of the farm price of the commodity, and the tax shall remain during its effective period at such lower rate until the Secretary, after due notice and opportunity for hearing to interested parties, determines and proclaims that an increase in the rate of such tax will not cause such accumulation of surplus stocks or depression of the farm price of the commodity. Thereafter the processing tax shall be at the highest rate which the Secretary determines will not cause such accumulation of surplus stocks or depression of the farm price of the commodity, but it shall not be higher than the rate provided in the first sentence of this paragraph.

#### “ SPECIFIC TAX RATES

“(2) In the case of wheat, cotton, field corn, hogs, peanuts, tobacco, paper, and jute, and (except as provided in paragraph (8) of this subsection) in the case of sugarcane and sugar beets, the tax on the first domestic processing of the commodity generally or for any particular use, or in the production of any designated product for any designated use, shall be levied, assessed, collected, and paid at the rate prescribed by the regulations of the Secretary of Agriculture in effect on the date of the adoption of this amendment, during the period from such date to December 31, 1937, both dates inclusive.

#### “ SPECIFIC TAX RATE—RICE

assessed, collected, and paid at the rate of 30 cents per bushel of fifty-six pounds. In the case of rye, the first marketing year shall be considered to be the period commencing September 1, 1935, and ending June 30, 1936. Subsequent marketing years shall commence on July 1 and end on June 30 of the succeeding year. The provisions of section 16 of this title shall not apply in the case of rye.

“ SPECIFIC TAX RATE—FLOOR STOCKS—BARLEY

“(5) If at any time prior to December 31, 1937, a tax with respect to barley becomes effective pursuant to proclamation as provided in subsection (a) of this section, such tax shall be levied, assessed, collected, and paid during the period from the date upon which such tax becomes effective to December 31, 1937, both inclusive, at the rate of 25 cents per bushel of forty-eight pounds. The provisions of section 16 of this title shall not apply in the case of barley.

“ ADJUSTMENT OF RATE

“(6) (A) Any rate of tax which is prescribed in paragraph (2), (3), (4), or (5) of this subsection or which is established pursuant to this paragraph (6) on the processing of any commodity generally or for any designated use or uses, or on the processing of the commodity in the production of any designated product or products thereof for any designated use or uses, shall be decreased (including a decrease to zero) in accordance with the formulae, standards, and requirements of paragraph (1) of this subsection, in order to prevent such reduction in the quantity of such commodity or the products thereof domestically consumed as will result in the accumulation of surplus stocks of such commodity or the products thereof or in the depression of the farm price of the commodity, and shall thereafter be increased in accordance with the provisions of paragraph (1) of this subsection but subject to the provisions of subdivision (B) of this paragraph (6).

“(B) If the average farm price of any commodity, the rate of tax on the processing of which is prescribed in paragraph (2), (3), (4), or (5) of this subsection or is established pursuant to this paragraph (6), during any period of twelve successive months ending after July 1, 1935, consisting of the first ten months of any marketing year and the last two months of the preceding marketing year—

“(i) is equal to, or exceeds by 10 per centum or less, the fair exchange value thereof, or, in the case of tobacco, is less than the fair exchange value by not more than 10 per centum, the rate of such tax shall (subject to the provisions of subdivision (A) of this paragraph (6)) be adjusted, at the beginning of the next succeeding marketing year, to such rate as equals 20 per centum of the fair exchange value thereof.

“(ii) exceeds by more than 10 per centum, but not more than 20 per centum, the fair exchange value thereof, the rate of such tax shall (subject to the provisions of subdivision (A) of this paragraph (6)) be adjusted, at the beginning of the next succeeding marketing year, to such rate as equals 15 per centum of the fair exchange value thereof.

“(iii) exceeds by more than 20 per centum the fair exchange value thereof, the rate of such tax shall (subject to the provisions

of subdivision (A) of this paragraph (6)) be adjusted, at the beginning of the next succeeding marketing year, to such rate as equals 10 per centum of the fair exchange value thereof.

“(C) Any rate of tax which has been adjusted pursuant to this paragraph (6) shall remain at such adjusted rate unless further adjusted or terminated pursuant to this paragraph (6), until December 31, 1937, or until July 31, 1936, in the case of rice.

“(D) In accordance with the formulae, standards, and requirements prescribed in this title, any rate of tax prescribed in paragraph (2), (3), (4), or (5) of this subsection or which is established pursuant to this paragraph (6) shall be increased.

“(E) Any tax, the rate of which is prescribed in paragraph (2), (3), (4), or (5) of this subsection or which is established pursuant to this paragraph (6), shall terminate pursuant to proclamation as provided in section 9 (a) of this title or pursuant to section 13 of this title. Any such tax with respect to any basic commodity which terminates pursuant to proclamation as provided in section 9 (a) of this title shall again become effective at the rate prescribed in paragraph (2), (3), (4), or (5) of this subsection, subject however to the provisions of subdivisions (A) and (B) of this paragraph (6), from the beginning of the marketing year for such commodity next following the date of a new proclamation by the Secretary as provided in section 9 (a) of this title, if such marketing year begins prior to December 31, 1937, or prior to July 31, 1936, in the case of rice, and shall remain at such rate until altered or terminated pursuant to the provisions of section 9 or terminated pursuant to section 13 of this title.

“(F) After December 31, 1937 (in the case of the commodities specified in paragraphs (2), (4), and (5) of this subsection), and after July 31, 1936 (in the case of rice), rates of tax shall be determined by the Secretary of Agriculture in accordance with the formulae, standards, and requirements prescribed in this title but not in this paragraph (6), and shall, subject to such formulae, standards, and requirements, thereafter be effective.

“(G) If the applicability to any person or circumstances of any tax, the rate of which is fixed in pursuance of this paragraph (6), is finally held invalid by reason of any provision of the Constitution, or is finally held invalid by reason of the Secretary of Agriculture's exercise or failure to exercise any power conferred on him under this title, there shall be levied, assessed, collected, and paid (in lieu of all rates of tax fixed in pursuance of this paragraph (6) with respect to all tax liabilities incurred under this title on or after the effective date of each of the rates of tax fixed in pursuance of this paragraph (6)), rates of tax fixed under paragraph (2), (3), (4), or (5), and such rates shall be in effect (unless the particular tax is terminated pursuant to proclamation, as provided in section 9 (a) or pursuant to section 13) until altered by Act of Congress; except that, for any period prior to the effective date of such holding of invalidity, the amount of tax which represents the difference between the tax at the rate fixed in pursuance of this paragraph (6) and the tax at the rate fixed under paragraphs (2), (3), (4), and (5) shall not be levied, assessed, collected, or paid.

“RICE—SPECIAL RULE

“(7) In the case of rice, the weight to which the rate of tax shall be applied shall be the weight of rough rice when delivered to a processor, except that, where the producer processes his own rice, the weight to which the rate of tax shall be applied shall be the weight of rough rice when delivered to the place of processing.

“SUGAR—SPECIAL RULE

“(8) In the case of sugar beets or sugarcane the rate of tax shall be applied to the direct-consumption sugar, resulting from the first domestic processing, translated into terms of pounds of raw value according to regulations to be issued by the Secretary of Agriculture, and in the event that the Secretary increases or decreases the rate of tax fixed by paragraph (2) of this subsection, pursuant to the provisions of paragraph (6) of this subsection, then the rate of tax to be so applied shall be the higher of the two following quotients: The difference between the current average farm price and the fair exchange value (A) of a ton of sugar beets and (B) of a ton of sugarcane, divided in the case of each commodity by the average extraction therefrom of sugar in terms of pounds of raw value (which average extraction shall be determined from available statistics of the Department of Agriculture); the rate of tax fixed by paragraph (2) of this subsection or adjusted pursuant to the provisions of paragraph (6) of this subsection shall in no event exceed the amount of the reduction by the President on a pound of sugar raw value of the rate of duty in effect on January 1, 1934, under paragraph 501 of the Tariff Act of 1930, as adjusted to the treaty of commercial reciprocity concluded between the United States and the Republic of Cuba on December 11, 1902, and/or the provisions of the Act of December 17, 1903, chapter 1.

The rate of tax upon the processing of any commodity, in effect on the date on which this amendment is adopted, shall not be affected by the adoption of this amendment and shall not be required to be

adjusted or altered, unless the Secretary of Agriculture finds that it is necessary to adjust or alter any such rate pursuant to section 9 (a) of this title."

The pro rata share of the expenses payable by a cooperative association of producers shall be computed on the basis of the quantity of the agricultural commodity or product thereof covered by such order which is distributed, processed, or shipped by such cooperative association of producers. All such taxes which have accrued and remain unpaid on the date of the adoption of this amendment shall be assessed and collected pursuant to section 19, and to the provisions of law made applicable thereby. Nothing in this section shall be construed to import illegality to any act, determination, proclamation, certificate, or regulation of the Secretary of Agriculture or of the President done or made prior to the date of the adoption of this amendment.

"(c) The making of rental and benefit payments under this title, prior to the date of the adoption of this amendment, as determined, prescribed, proclaimed and made effective by the proclamations of the Secretary of Agriculture or of the President or by regulations of the Secretary, and the initiation, if formally approved by the Secretary of Agriculture prior to such date of adjustment programs under

In any judicial proceeding relating to such claim, a transcript of the hearing before the Commissioner shall be duly certified and filed as the record in the case and shall be so considered by the court. The provisions of this subsection shall not apply to any refund or credit authorized by subsection (a) or (c) of section 15, section 16, or section 17 of this title, or to any refund or credit to the processor of any tax paid by him with respect to the provisions of section 317 of the Tariff Act of 1930.

“(2) In the event that any tax imposed by this title is finally held invalid by reason of any provision of the Constitution, or is finally held invalid by reason of the Secretary of Agriculture's exercise or failure to exercise any power conferred on him under this title, there shall be refunded or credited to any person (not a processor or other person who paid the tax) who would have been entitled to a refund or credit pursuant to the provisions of subsections (a) and (b) of section 16, had the tax terminated by proclamation pursuant to the provisions of section 13, and in lieu thereof, a sum in an amount equivalent to the amount to which such person would have been entitled had the Act been valid and had the tax with respect to the particular commodity terminated immediately prior to the effective date of such holding of invalidity, subject, however, to the following condition: Such claimant shall establish to the satisfaction of the Commissioner, and the Commissioner shall find and declare of record, after due notice by the Commissioner to the claimant and

opportunity for hearing, that the amount of the tax paid upon the processing of the commodity used in the floor stocks with respect to which the claim is made was included by the processor or other person who paid the tax in the price of such stocks (or of the material from which such stocks were made). In any judicial proceeding relating to such claim, a transcript of the hearing before the Commissioner shall be duly certified and filed as the record in the case and shall be so considered by the court. Notwithstanding any other provision of law: (1) no suit or proceeding for the recovery, recoupment, set-off, refund or credit of any tax imposed by this title, or of any penalty or interest, which is based upon the invalidity of such tax by reason of any provision of the Constitution or by reason of the Secretary of Agriculture's exercise or failure to exercise any power conferred on him under this title, shall be maintained in any court, unless prior to the expiration of six months after the date on which such tax imposed by this title has been finally held invalid a claim therefor (conforming to such regulations as the Commissioner of Internal Revenue with the approval of the Secretary of the Treasury, may prescribe) is filed by the person entitled thereto; (2) no such suit or proceeding shall be begun before the expiration of one year from the date of filing such claim unless the Commissioner renders a decision thereon within that time, nor after the expiration of five years from the date of the payment of such tax, penalty, or sum, unless suit or proceeding is begun within two years after the disallowance of the part of such claim to which such suit or proceeding relates. The Commissioner shall within 90 days after such disallowance notify the taxpayer thereof by mail.

"(3) The District Courts of the United States shall have jurisdiction of cases to which this subsection applies, regardless of the amount in controversy, if such courts would have had jurisdiction of such cases but for limitations under the Judicial Code, as amended, on jurisdiction of such courts based upon the amount in controversy.

"(e) In connection with the establishment, by any claimant, of the facts required to be established in subsection (d) of this section, the Commissioner of Internal Revenue is hereby authorized, by any officer or employee of the Bureau of Internal Revenue, including the field service, designated by him for that purpose, to examine any books, papers, records, or memoranda, relative to any matter affecting the findings to be made by the Commissioner pursuant to subsection (d) of this section, to require the attendance of the claimant or of any officer or employee of the claimant, or the attendance of any other person having knowledge in the premises, and to take, or cause to be taken, his testimony with reference to any such matter, with power to administer oaths to such person or persons. It shall be lawful for the Commissioner, or any collector designated by him, to summon witnesses on behalf of the United States or of any claimant to appear before the Commissioner, or before any person designated by him, at a time and place named in the summons, and to produce such books, papers, correspondence, memoranda, or other records as the Commissioner may deem relevant or material, and to give testimony or answer interrogatories, under oath, relating to

any matter affecting the findings to be made by the Commissioner pursuant to subsection (d) of this section. The provisions of Revised Statutes 3174 and of Revised Statutes 3175 shall be applicable with respect to any summons issued pursuant to the provisions of this subsection. Any witness summoned under this subsection shall be paid, by the party on whose behalf such witness was summoned, the same fees and mileage as are paid witnesses in the courts of the United States. All information obtained by the Commissioner pursuant to this subsection shall be available to the Secretary of Agriculture upon written request therefor. Such information shall be kept confidential by all officers and employees of the Department of Agriculture, and any such officer or employee who violates this requirement shall, upon conviction, be subject to a fine of not more than \$1,000 or to imprisonment for not more than one year, or both, and shall be removed from office.

“(f) No refund, credit, or abatement shall be made or allowed of the amount of any tax, under section 15, or section 17, unless, within one year after the right to such refund, credit, or abatement has accrued, a claim for such refund, credit, or abatement (conforming to such regulations as the Commissioner of Internal Revenue, with the approval of the Secretary of the Treasury, may prescribe) is filed by the person entitled to such refund, credit, or abatement, except that if the right to any such refund, credit, or abatement accrued prior to the date of the adoption of this amendment, then such one year period shall be computed from the date of this amendment. No interest shall be allowed or paid, or included in any judgment, with respect to any such claim for refund or credit.

“(g) The provisions of section 3226, Revised Statutes, as amended, are hereby extended to apply to any suit for the recovery of any amount of any tax, penalty, or interest, which accrued, before, on, or after the date of the adoption of this amendment under this title (whether an overpayment or otherwise), and to any suit for the recovery of any amount of tax which results from an error in the computation of the tax or from duplicate payments of any tax, or any refund or credit authorized by subsection (a) or (c) of section 15, section 16, or section 17 of this title or any refund or credit to the processor of any tax paid by him with respect to articles exported pursuant to the provisions of section 317 of the Tariff Act of 1930.”

Such

investigation shall be made after due notice and opportunity for hearing to interested parties and shall be conducted subject to such regulations as the President shall specify.

“(b) If, on the basis of such investigation and report to him of findings and recommendations made in connection therewith, the President finds the existence of such facts, he shall by proclamation impose such limitations on the total quantities of any article or articles which may be imported as he finds and declares shown by such investigation to be necessary to prescribe in order that the entry of such article or articles will not render or tend to render ineffective or materially interfere with any program or operation undertaken, or will not reduce substantially the amount of any product processed in the United States from any commodity subject to and with respect to which an adjustment program is in operation, under this title: *Provided*, That no limitation shall be imposed on the total quantity of any article which may be imported from any country which reduces such permissible total quantity to less than 50 per centum of the average annual quantity of such article which was imported from such country during the period from July 1, 1928, to June 30, 1933, both dates inclusive.

All persons who have the right, during the crop year in which such determination is made, to sell or to receive a share of the proceeds derived from the sale of tobacco of any type produced by them, or produced on land owned or leased by them, shall be entitled to vote, and the proportion of all the votes cast in each county which are cast in favor of levying the tax upon the sale of such type of tobacco shall determine the proportion of the total amount of tobacco land in such county which shall be deemed to have been voted in favor of levying such tax. SEC. 55. There is hereby made available, out of any money appropriated by the Emergency Relief Appropriation Act of 1935, such amount as the President may allot for the development of a national program of land conservation and land utilization. In carrying out the provisions of this section, the President is authorized:

(a) To make contracts and grants; and

(b) To acquire, by purchase, any real property or any interest therein (with or without reservations) in accordance with the policy herein set forth.

#### ANTI-HOG-CHOLERA SERUM AND HOG-CHOLERA VIRUS

SEC. 56. It is hereby declared to be the policy of Congress to insure the maintenance of an adequate supply of anti-hog-cholera serum

and hog-cholera virus by regulating the marketing of such serum and virus in interstate and foreign commerce, and to prevent undue and excessive fluctuations and unfair methods of competition and unfair trade practices in such marketing.

SEC. 57. In order to effectuate the policy declared in section 56 of this Act the Secretary of Agriculture shall have the power, after due notice and opportunity for hearing, to enter into marketing agreements with manufacturers and others engaged in the handling of anti hog-cholera serum and hog-cholera virus only with respect to such handling as is in the current of interstate or foreign commerce or which directly burdens, obstructs, or affects interstate or foreign commerce in such serum and virus. Such persons are hereafter in this Act referred to as "handlers." The making of any such agreement shall not be held to be in violation of any of the antitrust laws of the United States, and any such agreement shall be deemed to be lawful.

SEC. 58. Marketing agreements entered into pursuant to section 57 of this Act shall contain such one or more of the following terms and conditions and no others as the Secretary finds, upon the basis of the hearing provided for in section 57, will tend to effectuate the policy declared in section 56 of this Act:

(a) One or more of the terms and conditions specified in subsection (7) of section 8c of the Agricultural Adjustment Act, as amended.

(b) Terms and conditions requiring each manufacturer to have available on May 1 of each year a supply of completed serum equivalent to not less than 40 per centum of his previous year's sales.

SEC. 59. Whenever all the handlers of not less than 75 per centum of the volume of anti-hog-cholera serum and hog-cholera virus which is handled in the current of interstate or foreign commerce, or so as directly to burden, obstruct, or affect interstate or foreign commerce, have signed a marketing agreement entered into with the Secretary of Agriculture pursuant to section 57 of this Act, the Secretary of Agriculture shall issue an order which shall regulate only such handling in the same manner as, and contain only such terms and conditions as are contained in such marketing agreement, and shall from time to time amend such order in conformance with amendments to such marketing agreement. Such order shall terminate upon termination of such marketing agreement as provided in such marketing agreement.

SEC. 60. Subject to the policy declared in section 56 of this act, the provisions of subsections (6), (7), (8), and (9) of section 8a and of subsections (14) and (15) of section 8c of the Agricultural Adjustment Act, as amended, are hereby made applicable in connection with orders issued pursuant to section 59 of this Act, and the provisions of section 8d of the Agricultural Adjustment Act, as amended, are hereby made applicable in connection with marketing agreements entered into pursuant to section 57 and orders issued pursuant to section 59 of this Act. The provisions of subsections (a), (b) (2), (c), (f), (h), and (i) of section 10 of the Agricultural Adjustment Act, as amended, are hereby made applicable in connection with the administration of sections 56 to 60, inclusive, of this Act.

#### IMPOSITION OF THE TAX

SEC. 202. (a) There is hereby levied and assessed upon each first sale of potatoes harvested on or after December 1, 1935, in the continental United States a tax, to be paid by the seller, at the rate of three-fourths of 1 cent per pound: *Provided*, That when there is a change in the form of potatoes harvested on or after December 1, 1935, in the continental United States prior to the first sale thereof, a tax at the rate of three-fourths of 1 cent per pound, to be paid by the owner at the time such change is effected, is hereby levied and assessed upon the effecting of such change, and no tax shall be levied upon the first sale of such potatoes or any product or products thereof.

(b) If the Secretary of Agriculture finds at any time that the total apportionments to producers in any potato-producing region or regions (as established and defined pursuant to subsection (c) of section 209 of this title) are in excess of the probable supply of potatoes in the continental United States during the marketing periods for such region or regions, he shall proclaim such determination, and the provisions of this title shall not be operative during such marketing periods.

(c) At least thirty days prior to the beginning of each allotment year after the first allotment year, the Secretary of Agriculture shall conduct a referendum which will afford to producers of potatoes a reasonable opportunity to vote in favor of or in opposition to continuing in effect with respect to potatoes produced during the succeeding allotment year the taxes levied by subsection (a) of this section. Each producer who is entitled to an allotment for the last allotment year for which such apportionments were made shall be entitled to one vote; and such taxes shall not be in effect and the provisions of this title shall not be operative with respect to potatoes produced in such succeeding year unless the majority of the votes cast in such referendum are cast in favor of continuing such taxes in effect.

(d) If the Secretary of Agriculture determines and proclaims that the taxes levied by subsection (a) of this section will at the rate therein specified for such taxes, (1) tend to adversely affect the orderly marketing of potatoes, or (2) tend to depress the farm price of potatoes, or (3) tend to cause to producers of potatoes disadvantages in competition by reason of an excessive shift in consumption from potatoes to some other commodity or commodities, then the rate of such taxes shall for such period as the Secretary of

Agriculture designates, be at the highest rate which is lower than three-fourths of 1 cent (not less than one-half of 1 cent per pound) as he finds and proclaims will not adversely affect such orderly marketing, or cause such depression of the farm price, or cause such disadvantages in competition.

(e) The taxes levied by subsection (a) of this section shall be represented by tax stamps, and the proceeds of taxes levied under this title shall be paid into the Treasury of the United States as internal revenue collections.

(f) The Commissioner shall cause to be prepared, for the payment of such taxes, tax stamps of suitable denominations and shall furnish same to the collectors of internal revenue. The Commissioner shall also furnish to the Postmaster General without prepayment a suitable quantity of such stamps to be distributed to, and kept on sale by, the various postmasters in the United States. The Postmaster General may require each such postmaster to give additional or increased bond as postmaster for the value of the stamps so furnished, and each such postmaster shall deposit the receipts from the sale of such stamps to the credit of, and render accounts to, the Postmaster General at such times and in such form as he may by regulations prescribe. The Postmaster General shall at least once monthly transfer all collections from this source to the Treasury as internal revenue collections.

#### ALLOTMENTS

SEC. 203. The Secretary of Agriculture shall investigate probable production and market conditions for each allotment year and shall determine from available statistics of the Department of Agriculture and proclaim, at least thirty days prior to the beginning of each allotment year, the quantity of potatoes which, if produced during such year and sold during or after such year, will, in his opinion, tend to establish and maintain such balance between the production, sale, and consumption of potatoes and the marketing conditions therefor as will, in his opinion, tend to establish prices to potato producers at a level that would give potatoes a purchasing power with respect to articles that farmers buy equivalent to the purchasing power of potatoes in the period August 1919–July 1929 without reducing the total net income of potato producers from potatoes below the largest probable income of potato producers from potatoes produced during such allotment year, and without tending to cause to producers of potatoes disadvantages in competition by reason of an excessive shift in consumption from potatoes to some other commodity or commodities; and the quantity so proclaimed shall, for each allotment year, be apportioned by the Secretary of Agriculture as hereinafter provided.

SEC. 204. When a quantity is determined in accordance with section 203 of this title, the Secretary of Agriculture shall apportion such quantity among the several States. The apportionment to each State shall be determined on the basis of the ratio that the annual average acreage of the four years in which the highest potato acreage was harvested in such State in the years 1927–1934, inclusive, multiplied by the average yield per acre for the four years that the yield of potatoes per acre for such State was highest in the years 1927–1934, inclusive, multiplied by the average annual percentage of the crop

produced in such State during the years 1929-1934, inclusive, which was sold, bears to the sum of the products of such average acreages, such average yields, and such percentages of sales for all States: *Provided*, That if the Secretary of Agriculture finds that the application of the foregoing formula alone would, because of differences in production practices and marketing practices among the several States, result in an inequitable and unfair apportionment to any State or States, not in excess of 2 per centum of the quantity of potatoes determined in accordance with section 203 of this title may be deducted from such quantity and may be used by the Secretary of Agriculture to adjust on the basis of equity and fairness the apportionments made or to be made to any State or States.

SEC. 204a. The quantity determined and proclaimed by the Secretary of Agriculture pursuant to Section 203, and the quantity apportioned to each State pursuant to Section 204, may at such intervals as the Secretary of Agriculture finds necessary to effectuate the declared policy and purposes of this Act be adjusted by him: *Provided*, That the quantity so determined and proclaimed shall not be increased or decreased by more than 5 per cent.

SEC. 205. Ninety-five per centum of the quantity of potatoes apportioned to any State pursuant to section 204 of this title shall be apportioned by the Secretary of Agriculture to farms on which potatoes have been grown within such State during any one or more years within the period 1932-1934, inclusive. Such apportionment to any farm shall be made upon application therefor and may, in order to secure equitable apportionments to producers, be made by the Secretary based upon either—

(1) A percentage of the average sales of potatoes produced on such farm for a representative base period, prescribed by the Secretary, of any two or more years during the years 1932-1934, inclusive, providing the operators of such farm for the allotment year for which the apportionment is made produced potatoes on such farm during at least one of the base-period years. The representative base period prescribed by the Secretary and the percentage applied to the average sales of potatoes produced during such period in establishing apportionments for each farm under this paragraph shall, so far as practicable, be uniform for farms similarly situated upon the basis or classification prescribed by the Secretary of Agriculture, but in the case of any farm for which such average sales are 300 pounds or less, such average sales shall be exempt from any percentage reduction thereof and such farm shall receive an apportionment equal to such average sales; or

(2) Such basis as the Secretary of Agriculture deems fair and just and will apply to all farms to which an apportionment is made under this paragraph 2 uniformly on the basis or classification adopted. In making an apportionment to a farm under this paragraph, due consideration shall be given to the quantity of potatoes produced and sold in the past by the operators who will operate such farm for the allotment year for which the apportionment is made, the quantity of potatoes produced on such farm and sold in the past, and the acreage of the farm available for the production of potatoes and which the operators are currently equipped to devote to the production of potatoes.

SEC. 206. Not in excess of 5 per centum of the quantity of potatoes apportioned to any State pursuant to section 204 of this title shall, upon application therefor, be available for apportionment by the Secretary of Agriculture to farms operated by persons engaged or evidencing a desire to engage in the production and sale of potatoes in such State and which farms are ineligible to receive an apportionment under section 205 or in respect to which the Secretary of Agriculture determines that the apportionments made pursuant to section 205 are inequitable: *Provided*, That apportionments under this section shall be made upon such basis as the Secretary of Agriculture deems fair and just and which will, so far as practicable, apply to all such farms uniformly upon the basis or classification prescribed by the Secretary. Any quantity not apportioned under this section shall be available for apportionment under section 205 of this title.

SEC. 207. If an apportionment is made to a farm under section 206 of this title for any allotment year, for each succeeding allotment year that the operation of such farm is continued by the operators who operated it during the allotment year for which such apportionment was made, the apportionment to such farm shall be made upon the basis provided in section 206 of this title but shall be made from the quantity available for apportionment under section 205 of this title.

SEC. 208. For the purposes of the apportionments to be made pursuant to sections 204, 205, 206, and 207 of this title, the District of Columbia shall be considered as a part of the State of Maryland.

SEC. 209. (a) The Secretary of Agriculture, or any agent or agency designated for such purpose by the Secretary of Agriculture, shall, upon application therefor, issue for each farm tax-exemption stamps for an amount of potatoes equal to the apportionment made to such farm pursuant to sections 205, 206, and 207 of this title: *Provided*, That under such regulations as the Secretary of Agriculture shall prescribe he shall refuse to issue such tax-exemption stamps to any applicant in any allotment year in which such applicant is not a bona fide producer of potatoes. Each such tax-exemption stamp, during the period of its validity as determined pursuant to subsection (c) of this section, shall establish an exemption from the taxes imposed by subsection (a) of section 202 of this title for the amount of potatoes stated on the face of each such stamp.

(b) The right to tax-exemption stamps shall be evidenced in such manner as the Secretary of Agriculture may by regulations prescribe, and such tax-exemption stamps shall be issued in such form or forms, and under such terms and conditions as may be prescribed jointly by the Secretary of Agriculture and the Secretary of the Treasury.

(c) The Secretary of Agriculture shall establish and define potato-producing regions for the continental United States upon the basis of the marketing periods for potatoes produced in such regions during an allotment year, and shall from time to time by regulation and upon the basis of such marketing periods for each such region, determine and fix the period during which tax-exemption stamps issued, or pursuant to subsection (g) of this section transferred, to producers in such regions for any allotment year shall be valid, provided that all tax-exemption stamps shall be valid for a period of at least the allotment year for which they are issued.

(d) If any tax-exemption stamp is erroneously issued, the person to whom such stamp is so issued shall, upon demand by the Secretary of Agriculture in writing and mailed to the last-known address of such person, be obligated to return such stamp or pay to the Secretary a sum equal to the amount of the taxes imposed by subsection (a) of section 202 of this title upon the amount of potatoes covered by such stamp, at the rate in effect at the time such stamp was issued.

(e) Any sale, assignment, pledge, or transfer, and any agreement or power of attorney to sell, assign, apply, pledge, or transfer made or entered into by any person of his right to or claim for tax-exemption stamps or any part thereof not accompanied by actual delivery of such stamps shall, for all purposes, be null and void; except agreements between landlords and share-tenants or share-croppers which, in accordance with such regulations as the Secretary of Agriculture shall prescribe, provide for a division of the tax-exemption stamps received or to be received by any such landlord, any such share-tenant or any such share-cropper, or any or all of them, in accordance with their respective shares in the potatoes or the proceeds thereof to be produced by them.

(f) Where a farm is operated by share-tenants, or with the aid of share-croppers, tax-exemption stamps issued for an apportionment made to such farm shall be used by the landlord, the share-tenants, and/or the share-croppers in accordance with their respective shares in the potatoes produced on such farm, during the allotment year for which such apportionment is made, or the proceeds of such potatoes, and the Secretary of Agriculture shall issue regulations protecting the interests of share-croppers and tenants in the issuance and use of such tax-exemption stamps.

(g) If accompanied by delivery thereof, tax-exemption stamps may be transferred or assigned in such manner and upon such terms and conditions, including conditions governing the consideration which must be given therefor, as the Secretary of Agriculture may determine are reasonably necessary to prevent (1) transfers and assignments which would tend to depress the market price for potatoes produced in any potato-producing area, (2) speculation in tax-exemption stamps, or (3) fraud or coercion in the transfer of such stamps, or which the Secretary of Agriculture finds to be necessary or desirable to facilitate the identification of tax-paid or tax-exempt potatoes or which the Secretary of Agriculture finds to be necessary or desirable to protect the interests of tenants and share-croppers in the issuance and use of tax-exemption stamps.

SEC. 210. Tax-exemption stamps issued to a person, and a person's right to and claim for, tax-exemption stamps shall be exempt from the claims of the creditors of such person and from any and all process for the enforcement of such claims. The Secretary of Agriculture shall by regulation provide for the issuance to, and/or use by, the person who by devise, bequest, or descent becomes the owner of potatoes planted by a person dying during an allotment year, of the tax-exemption stamps which have been, or would have been, issued to such deceased person for such allotment year.

#### PACKAGING

SEC. 211. (a) To facilitate the collection of the tax upon the first sale of potatoes imposed by subsection (a) of section 202 of this title,

all potatoes harvested on and after December 1, 1935, and sold in the continental United States, during any period such tax is in effect, shall, in accordance with such rules and regulations as the Commissioner with the approval of the Secretary of the Treasury shall prescribe, be packed in closed and marked containers to which shall be attached or affixed tax stamps or tax-exemption stamps equal in face value to the amount of tax per pound in effect on the potatoes contained therein: *Provided*, That, subject to such regulations as the Commissioner with the approval of the Secretary of the Treasury may prescribe, packaging may be postponed beyond the time of the first sale of potatoes which are to be stored in bulk, or which are to be graded, at such places as may be designated by regulations prescribed by the Commissioner with the approval of the Secretary of the Treasury. The time and method of such packaging and the time and method of attaching or affixing such stamps and the time and circumstances under which packages may be broken shall be established in accordance with such regulations as the Commissioner, with the approval of the Secretary of the Treasury, may prescribe as desirable or necessary to facilitate the collection of the taxes levied by this title. In prescribing and approving rules and regulations for the packaging of potatoes and the attaching or affixing of stamps, the Commissioner and the Secretary of the Treasury shall give due weight to the customs of the industry.

(b) To facilitate the collection of the tax upon a change in the form of potatoes imposed by subsection (a) of section 202 of this title, the Commissioner, with the approval of the Secretary of the Treasury, is authorized by regulation to prescribe appropriate means of identifying potatoes, the change of form of which is subject to such tax, and for the identification of the products of such potatoes.

#### RULES AND REGULATIONS

SEC. 212. The Commissioner, with the approval of the Secretary of the Treasury, shall prescribe and publish such rules and regulations as he may deem needful in administering provisions of this title relating to the revenue including rules and regulations for the issue, sale, custody, production, cancellation, destruction, and disposition of tax stamps and the cancellation and destruction of tax-exemption stamps, and the substitution or replacement of tax stamps in cases of loss, destruction, or defacement thereof.

SEC. 213. The Secretary of Agriculture is authorized to make such rules and regulations as may be necessary to carry out the powers vested in him by the provisions of this title.

SEC. 214. (a) All producers, warehousemen, processors, carriers, retailers, factors, handlers, and any other person who the Commissioner has reason to believe to have information with respect to potatoes produced, or sold, or subject to a tax on a change in the form of potatoes, may be required, under regulations prescribed jointly by the Secretary of the Treasury and the Secretary of Agriculture, to make such returns, render such statements, give such information, and keep such records as they may deem necessary for the proper administration of this title.

(b) Any person willfully failing or refusing to file such a return, render such statement, give such information, or keep such records,

or filing a willfully false return, or rendering or giving willfully false statements or information or willfully keeping false records, shall be guilty of a misdemeanor and upon conviction thereof, shall be punished by a fine of not more than \$1,000 or by imprisonment not exceeding one year, or both.

#### REFUNDS

SEC. 215. (a) No refund of any tax, penalty, interest, or sum of money paid shall be allowed under this title unless claim therefor is presented within one year after the date of payment of such tax, penalty, interest, or sum.

(b) No suit or proceeding shall be maintained in any court for the recovery of any tax under this title alleged to have been erroneously or illegally assessed or collected, or of any penalty claimed to have been collected without authority, or of any sum alleged to have been excessive or in any manner illegally or wrongfully collected until a claim for refund or credit has been duly filed with the Commissioner according to the provisions of law in that regard and the regulations of the Secretary of the Treasury established in pursuance thereof. No suit or proceeding shall be begun before the expiration of six months from the date of filing such claim unless the Commissioner renders a decision thereon within that time, nor after the expiration of two years from the date of payment of such tax, penalty, or sum, unless such suit or proceeding is begun within two years after the disallowance of the part of such claim to which such suit or proceeding relates. The Commissioner shall, within ninety days after such disallowance, notify the taxpayer thereof by registered mail.

(c) The amount of the taxes imposed by subsection (a) of section 202, paid by a person, which taxes would not have been paid had the tax-exemption stamps to which such person was entitled been delivered to such person prior to the payment of such taxes, shall be refunded to such person.

#### APPROPRIATION

SEC. 216. (a) The proceeds derived from the taxes imposed by this title are hereby authorized to be appropriated to be available to the Secretary of Agriculture for administrative expenses, for all purposes of the Agricultural Adjustment Act, as amended, for refunds of taxes and for other payments under this title. The Secretary of Agriculture and the Secretary of the Treasury shall estimate from time to time the amount of taxes which will be collected under this title during a period following any such estimate not in excess of four months, and the Secretary of the Treasury shall, out of any money in the Treasury not otherwise appropriated, advance to the Secretary of Agriculture the amounts so estimated. The amount of any such advance shall be deducted from such tax proceeds as shall subsequently become available under this subsection: *Provided*, That all taxes imposed by section 230 of this title, collected upon potatoes coming from the possessions or territories of the United States, shall not be covered into the general fund of the Treasury of the United States but shall be held as a separate fund and paid into the treasuries of the said possessions and territories,

respectively, to be used and expended by the governments thereof for the benefit of agriculture.

(b) The administrative expenses provided for under this section shall include, among others, expenditures for personal services and rent in the District of Columbia and elsewhere, for law books, periodicals, newspapers, and books of references, for contract stenographic reporting services, for the purchase or hire of vehicles, including motor vehicles, and for printing and paper in addition to allotments under the existing law.

(c) The Secretary of Agriculture may advance or transfer to the Treasury Department, to the Post Office Department, and to any other department or agency, out of funds available for administrative expenses under this title, such sums as are required to pay administrative expenses of, and refunds made by, such departments or agencies in the administration of this title.

(d) There is hereby authorized to be appropriated to be available to the Secretary of Agriculture such sums as may be necessary for administrative expenses, for refunds of taxes, and for other advances or payments under this title.

#### GENERAL AND PENAL PROVISIONS

SEC. 217. If at any time the Secretary of Agriculture finds that any product or products manufactured from potatoes is of such low value, considering the quantity of potatoes used for its manufacture, that the imposition of the taxes imposed by subsection (a) of section 202 of this title would prevent wholly or in large part the use of potatoes in the manufacture of such product or products or that potatoes used for the feeding of livestock are of such low value that the imposition of such taxes would prevent wholly or in large part the sale of potatoes for any such use, the Secretary of Agriculture shall proclaim such finding and thereafter in accordance with regulations prescribed jointly by the Secretary of Agriculture and the Secretary of the Treasury, the sale, or change in form, of potatoes for such use or uses by the purchaser thereof shall be exempt from the provisions of subsection (a) of section 211, and from the taxes imposed by subsection (a) of section 202 of this title until such time as the Secretary of Agriculture, after further investigation and due notice and opportunity for hearing to the interested parties, revokes such proclamation: *Provided*, That the right to any such exemption shall be evidenced in such manner as joint regulations of the Secretary of Agriculture and the Secretary of the Treasury shall prescribe. If such purchaser uses any potatoes sold to him free of tax under this section or uses any product of such potatoes, for other than an exempt use as above specified, then he shall be liable for a tax in the same manner as if such potatoes were sold by him at a first sale.

SEC. 218. The Secretary of Agriculture is authorized, in order to carry out the provisions of this title, to appoint, without regard to the provisions of the civil-service law, such officers, agents, and employees and to utilize such Federal officers and employees and, with the consent of the State, such State and local officers and employees, as he may find necessary, to prescribe their authorities, duties, responsibilities, and tenure, and, without regard to the Classification Act of

1923, as amended, to fix the compensation of any officers, agents, and employees so appointed.

SEC. 219. (a) For the more effective administration of the functions vested in him by this title, the Secretary of Agriculture is authorized to utilize committees and associations heretofore or hereafter established pursuant to subsection (b) of section 10 of the Agricultural Adjustment Act, as amended, and to establish regional, State, and local committees and associations of producers of potatoes.

(b) The Secretary of Agriculture, out of any funds appropriated for administrative expenses under this title, is authorized to advance funds to the proper fiscal officer of associations established or utilized pursuant to subsection (a) of section 219 of this title, for expenses incurred or to be incurred in the administration of this title, with the approval of the Secretary of Agriculture by such associations. Payment of such expenses of such associations shall be made upon such evidence and in such manner and at such time or times as the Secretary of Agriculture may direct, and the accounting therefor by the associations shall be solely administrative and to the Secretary of Agriculture only.

SEC. 220. Any person who knowingly sells, or offers for sale, or knowingly offers to buy, or buys, potatoes not packaged as required by this title, or any person who knowingly sells, or offers for sale, or who knowingly offers to buy, or buys, potatoes to the packages of which are not affixed or attached tax-exemption stamps or tax stamps as required by this title shall, upon conviction thereof, be fined not more than \$1,000. Any person convicted of a second offense under the provisions of this title may, in addition to such fine, be imprisoned for not more than one year.

SEC. 221. Any person who, in violation of the regulations made by the Secretary of Agriculture, speculates in tax-exemption stamps, and any person securing tax-exemption stamps from another person by fraud or coercion, shall, upon conviction thereof, be fined not more than \$1,000 or sentenced to not more than one year's imprisonment, or both.

SEC. 222. Whenever any potato container, to which are affixed tax stamps or tax-exemption stamps, is emptied, it shall be the duty of the person in whose hands the same is to destroy utterly the stamps affixed thereto. Any revenue officer may destroy the tax stamps or tax-exemption stamps affixed to any emptied potato package.

SEC. 223. Any person who willfully violates any provision of this title, or who willfully fails to pay, when due, any tax imposed under this title, or who, with intent to defraud, falsely makes, forges, orders, or counterfeits any tax stamps or tax-exemption stamps made or used under this title or who uses, sells, or has in his possession any such forged, ordered, or counterfeited tax stamps or tax-exemption stamps or any plate or die used, or which may be used in the manufacture thereof, or has in his possession any tax stamp or tax-exemption stamp which should have been destroyed as required by this title, or who makes, uses, sells, or has in his possession, any paper in imitation of the paper or other substance used in the manufacture of any such tax stamp or tax-exemption stamp, or who reuses any tax stamp or tax-exemption stamp

required to be destroyed by this title, or who places any potatoes in any package which has been theretofore filled or stamped or otherwise identified under this title without destroying the tax stamps and tax-exemption stamps previously affixed to such package, or who gives away or accepts from another or who sells or buys any emptied package which had been previously filled and stamped or otherwise identified under this title without destroying the tax stamps and tax-exemption stamps previously affixed or attached to such package, or who makes any false statement in any application for tax-exemption stamps under this title, or who has in his possession any tax-exemption stamps or tax stamps, obtained by him otherwise than as provided in this title, shall, upon conviction, be punished by a fine not exceeding \$1,000 or by imprisonment for not exceeding six months, or both.

Sec. 224. Any person who willfully violates any regulation issued or approved pursuant to this title, for the violation of which a special penalty is not provided by law, shall, upon conviction thereof, be punished by a fine not exceeding \$200.

Sec. 225. All provisions of law, including penalties, applicable with respect to the taxes imposed by sections 600 and 800 of the Revenue Act of 1926, except section 1121 of the Revenue Act of 1926, and except section 614 of the Revenue Act of 1932, shall, insofar as applicable and not inconsistent with the provisions of this title, be applicable with respect to all taxes imposed by this title.

Sec. 226. In order to facilitate the making of apportionments and the collection of the taxes imposed by this title, every producer who sells potatoes during any allotment year, or who affects a change in the form of potatoes, shall keep such books and records as the Commissioner, with the joint approval of the Secretary of the Treasury and the Secretary of Agriculture, shall by regulations require and such books and records shall be open to inspection by any authorized agent of the Secretary of Agriculture or the Commissioner.

Sec. 227. Whenever any potatoes, upon the sale of which a tax is required to be paid, are sold, without the use of the proper stamps, or whenever a change in the form of potatoes upon which a tax is required to be paid occurs, without the payment of such tax, it shall be the duty of the Commissioner, within a period of not more than two years after such sale or change in the form, upon satisfactory proof, to estimate the amount of the tax which has been omitted to be paid, and to make the assessment therefor, and certify the same to a collector. The tax so assessed shall be in addition to the penalties imposed by law.

#### EXPORTS

Sec. 228. Under such rules and regulations as the Commissioner, with the approval of the Secretary of the Treasury, may prescribe, the taxes imposed under subsection (a) of section 202 of this title shall not apply in respect to potatoes sold for export to any foreign country or for shipment to a possession or Territory of the United States, and in due course so exported or shipped. Under such rules and regulations the amount of any such tax erroneously or illegally collected in respect to such potatoes so exported or shipped may be

refunded to the exporter or shipper of the potatoes instead of the taxpayer if the taxpayer waives any claim for the amount so to be refunded.

#### IMPORTS

SEC. 229. In order to secure equality between domestic and foreign producers of potatoes and in order to prevent the taxes imposed by subsection (a) of section 202 from resulting in disadvantages to producers of potatoes in the continental United States, the Secretary of Agriculture is hereby authorized and directed to, from time to time by orders and regulations—

(a) For each allotment year or any part thereof that the taxes imposed by subsection (a) of section 202 of this title are in effect, establish quotas for the entry or the importation into the continental United States of potatoes produced in any Territory or possession of the United States, or any foreign country. Such quotas shall be based upon that percentage of the annual average quantity of such potatoes brought or imported into the continental United States during the years 1929–1934, inclusive, which is equal to the percentage that the quantity proclaimed by the Secretary of Agriculture under section 203 of this title is of the annual average of the quantities of potatoes sold in the continental United States during the years 1929–1934, inclusive; and

SEC. 230. After such quotas have been established, potatoes imported or brought into the continental United States in excess of any such quotas shall, in addition to any import duties, be subject to an internal-revenue tax equal to the amount of the tax then in effect on the first sale of potatoes produced and sold in the continental United States. The tax levied by this section shall be represented by tax stamps and shall be paid by the owner or importer prior to release from customs custody and control, or entry into the continental United States.

SEC. 231. During any period the tax imposed by subsection (a) of section 202 is in effect all potatoes imported or brought into the continental United States from any possession or Territory of the United States or from any foreign country shall, prior to release from customs custody and control, in accordance with such rules and regulations as the Commissioner, with the approval of the Secretary of the Treasury, shall prescribe as necessary or desirable to facilitate the collection of the taxes levied by this title, be packed in closed and marked containers. The time and method of such packaging and the time and method of attaching or affixing the stamps required by the preceding section shall be established in accordance with such regulations as the Commissioner shall prescribe. All sales of such potatoes, after release thereof from customs custody and control or entry in the continental United States, shall be in packages in the same manner and under the same terms and conditions as required for the sales of potatoes harvested and sold in the continental United States.

SEC. 232. The provisions of sections 229 and 230 shall not be applicable to potatoes produced in the Republic of Cuba and imported and entered for consumption into the continental United States during the period from December 1 to the last day of the following

February, inclusive, in any years: *Provided*, That if the Secretary of Agriculture at any time finds that the importation of potatoes from the Republic of Cuba during such period is, or threatens to result in, unduly depressing the potato market in or for any potato-producing area of the continental United States, he shall proclaim such findings and the provisions of sections 229 and 230 shall be applicable to all potatoes thereafter imported into the continental United States from the Republic of Cuba.

SEC. 233. This title may be cited as the "Potato Act of 1935."

Approved, August 24, 1935.

#### IMPOSITION OF THE TAX

SEC. 202. (a) There is hereby levied and assessed upon each first sale of potatoes harvested on or after December 1, 1935, in the continental United States a tax, to be paid by the seller, at the rate of three-fourths of 1 cent per pound: *Provided*, That when there is a change in the form of potatoes harvested on or after December 1, 1935, in the continental United States prior to the first sale thereof, a tax at the rate of three-fourths of 1 cent per pound, to be paid by the owner at the time such change is effected, is hereby levied and assessed upon the effecting of such change, and no tax shall be levied upon the first sale of such potatoes or any product or products thereof.

(b) If the Secretary of Agriculture finds at any time that the total apportionments to producers in any potato-producing region or regions (as established and defined pursuant to subsection (c) of section 209 of this title) are in excess of the probable supply of potatoes in the continental United States during the marketing periods for such region or regions, he shall proclaim such determination, and the provisions of this title shall not be operative during such marketing periods.

(c) At least thirty days prior to the beginning of each allotment year after the first allotment year, the Secretary of Agriculture shall conduct a referendum which will afford to producers of potatoes a reasonable opportunity to vote in favor of or in opposition to continuing in effect with respect to potatoes produced during the succeeding allotment year the taxes levied by subsection (a) of this section. Each producer who is entitled to an allotment for the last allotment year for which such apportionments were made shall be entitled to one vote; and such taxes shall not be in effect and the provisions of this title shall not be operative with respect to potatoes produced in such succeeding year unless the majority of the votes cast in such referendum are cast in favor of continuing such taxes in effect.

(d) If the Secretary of Agriculture determines and proclaims that the taxes levied by subsection (a) of this section will at the rate therein specified for such taxes, (1) tend to adversely affect the orderly marketing of potatoes, or (2) tend to depress the farm price of potatoes, or (3) tend to cause to producers of potatoes disadvantages in competition by reason of an excessive shift in consumption from potatoes to some other commodity or commodities, then the rate of such taxes shall for such period as the Secretary of

Agriculture designates, be at the highest rate which is lower than three-fourths of 1 cent (not less than one-half of 1 cent per pound) as he finds and proclaims will not adversely affect such orderly marketing, or cause such depression of the farm price, or cause such disadvantages in competition.

(e) The taxes levied by subsection (a) of this section shall be represented by tax stamps, and the proceeds of taxes levied under this title shall be paid into the Treasury of the United States as internal revenue collections.

(f) The Commissioner shall cause to be prepared, for the payment of such taxes, tax stamps of suitable denominations and shall furnish same to the collectors of internal revenue. The Commissioner shall also furnish to the Postmaster General without prepayment a suitable quantity of such stamps to be distributed to, and kept on sale by, the various postmasters in the United States. The Postmaster General may require each such postmaster to give additional or increased bond as postmaster for the value of the stamps so furnished, and each such postmaster shall deposit the receipts from the sale of such stamps to the credit of, and render accounts to, the Postmaster General at such times and in such form as he may by regulations prescribe. The Postmaster General shall at least once monthly transfer all collections from this source to the Treasury as internal revenue collections.

#### ALLOTMENTS

SEC. 203. The Secretary of Agriculture shall investigate probable production and market conditions for each allotment year and shall determine from available statistics of the Department of Agriculture and proclaim, at least thirty days prior to the beginning of each allotment year, the quantity of potatoes which, if produced during such year and sold during or after such year, will, in his opinion, tend to establish and maintain such balance between the production, sale, and consumption of potatoes and the marketing conditions therefor as will, in his opinion, tend to establish prices to potato producers at a level that would give potatoes a purchasing power with respect to articles that farmers buy equivalent to the purchasing power of potatoes in the period August 1919–July 1929 without reducing the total net income of potato producers from potatoes below the largest probable income of potato producers from potatoes produced during such allotment year, and without tending to cause to producers of potatoes disadvantages in competition by reason of an excessive shift in consumption from potatoes to some other commodity or commodities; and the quantity so proclaimed shall, for each allotment year, be apportioned by the Secretary of Agriculture as hereinafter provided.

SEC. 204. When a quantity is determined in accordance with section 203 of this title, the Secretary of Agriculture shall apportion such quantity among the several States. The apportionment to each State shall be determined on the basis of the ratio that the annual average acreage of the four years in which the highest potato acreage was harvested in such State in the years 1927–1934, inclusive, multiplied by the average yield per acre for the four years that the yield of potatoes per acre for such State was highest in the years 1927–1934, inclusive, multiplied by the average annual percentage of the crop

produced in such State during the years 1929-1934, inclusive, which was sold, bears to the sum of the products of such average acreages, such average yields, and such percentages of sales for all States: *Provided*, That if the Secretary of Agriculture finds that the application of the foregoing formula alone would, because of differences in production practices and marketing practices among the several States, result in an inequitable and unfair apportionment to any State or States, not in excess of 2 per centum of the quantity of potatoes determined in accordance with section 203 of this title may be deducted from such quantity and may be used by the Secretary of Agriculture to adjust on the basis of equity and fairness the apportionments made or to be made to any State or States.

SEC. 204a. The quantity determined and proclaimed by the Secretary of Agriculture pursuant to Section 203, and the quantity apportioned to each State pursuant to Section 204, may at such intervals as the Secretary of Agriculture finds necessary to effectuate the declared policy and purposes of this Act be adjusted by him: *Provided*, That the quantity so determined and proclaimed shall not be increased or decreased by more than 5 per cent.

SEC. 205. Ninety-five per centum of the quantity of potatoes apportioned to any State pursuant to section 204 of this title shall be apportioned by the Secretary of Agriculture to farms on which potatoes have been grown within such State during any one or more years within the period 1932-1934, inclusive. Such apportionment to any farm shall be made upon application therefor and may, in order to secure equitable apportionments to producers, be made by the Secretary based upon either—

(1) A percentage of the average sales of potatoes produced on such farm for a representative base period, prescribed by the Secretary, of any two or more years during the years 1932-1934, inclusive, providing the operators of such farm for the allotment year for which the apportionment is made produced potatoes on such farm during at least one of the base-period years. The representative base period prescribed by the Secretary and the percentage applied to the average sales of potatoes produced during such period in establishing apportionments for each farm under this paragraph shall, so far as practicable, be uniform for farms similarly situated upon the basis or classification prescribed by the Secretary of Agriculture, but in the case of any farm for which such average sales are 300 pounds or less, such average sales shall be exempt from any percentage reduction thereof and such farm shall receive an apportionment equal to such average sales; or

(2) Such basis as the Secretary of Agriculture deems fair and just and will apply to all farms to which an apportionment is made under this paragraph 2 uniformly on the basis or classification adopted. In making an apportionment to a farm under this paragraph, due consideration shall be given to the quantity of potatoes produced and sold in the past by the operators who will operate such farm for the allotment year for which the apportionment is made, the quantity of potatoes produced on such farm and sold in the past, and the acreage of the farm available for the production of potatoes and which the operators are currently equipped to devote to the production of potatoes.

SEC. 206. Not in excess of 5 per centum of the quantity of potatoes apportioned to any State pursuant to section 204 of this title shall, upon application therefor, be available for apportionment by the Secretary of Agriculture to farms operated by persons engaged or evidencing a desire to engage in the production and sale of potatoes in such State and which farms are ineligible to receive an apportionment under section 205 or in respect to which the Secretary of Agriculture determines that the apportionments made pursuant to section 205 are inequitable: *Provided*, That apportionments under this section shall be made upon such basis as the Secretary of Agriculture deems fair and just and which will, so far as practicable, apply to all such farms uniformly upon the basis or classification prescribed by the Secretary. Any quantity not apportioned under this section shall be available for apportionment under section 205 of this title.

SEC. 207. If an apportionment is made to a farm under section 206 of this title for any allotment year, for each succeeding allotment year that the operation of such farm is continued by the operators who operated it during the allotment year for which such apportionment was made, the apportionment to such farm shall be made upon the basis provided in section 206 of this title but shall be made from the quantity available for apportionment under section 205 of this title.

SEC. 208. For the purposes of the apportionments to be made pursuant to sections 204, 205, 206, and 207 of this title, the District of Columbia shall be considered as a part of the State of Maryland.

SEC. 209. (a) The Secretary of Agriculture, or any agent or agency designated for such purpose by the Secretary of Agriculture, shall, upon application therefor, issue for each farm tax-exemption stamps for an amount of potatoes equal to the apportionment made to such farm pursuant to sections 205, 206, and 207 of this title: *Provided*, That under such regulations as the Secretary of Agriculture shall prescribe he shall refuse to issue such tax-exemption stamps to any applicant in any allotment year in which such applicant is not a bona fide producer of potatoes. Each such tax-exemption stamp, during the period of its validity as determined pursuant to subsection (c) of this section, shall establish an exemption from the taxes imposed by subsection (a) of section 202 of this title for the amount of potatoes stated on the face of each such stamp.

(b) The right to tax-exemption stamps shall be evidenced in such manner as the Secretary of Agriculture may by regulations prescribe, and such tax-exemption stamps shall be issued in such form or forms, and under such terms and conditions as may be prescribed jointly by the Secretary of Agriculture and the Secretary of the Treasury.

(c) The Secretary of Agriculture shall establish and define potato-producing regions for the continental United States upon the basis of the marketing periods for potatoes produced in such regions during an allotment year, and shall from time to time by regulation and upon the basis of such marketing periods for each such region, determine and fix the period during which tax-exemption stamps issued, or pursuant to subsection (g) of this section transferred, to producers in such regions for any allotment year shall be valid, provided that all tax-exemption stamps shall be valid for a period of at least the allotment year for which they are issued.

(d) If any tax-exemption stamp is erroneously issued, the person to whom such stamp is so issued shall, upon demand by the Secretary of Agriculture in writing and mailed to the last-known address of such person, be obligated to return such stamp or pay to the Secretary a sum equal to the amount of the taxes imposed by subsection (a) of section 202 of this title upon the amount of potatoes covered by such stamp, at the rate in effect at the time such stamp was issued.

(e) Any sale, assignment, pledge, or transfer, and any agreement or power of attorney to sell, assign, apply, pledge, or transfer made or entered into by any person of his right to or claim for tax-exemption stamps or any part thereof not accompanied by actual delivery of such stamps shall, for all purposes, be null and void; except agreements between landlords and share-tenants or share-croppers which, in accordance with such regulations as the Secretary of Agriculture shall prescribe, provide for a division of the tax-exemption stamps received or to be received by any such landlord, any such share-tenant or any such share-cropper, or any or all of them, in accordance with their respective shares in the potatoes or the proceeds thereof to be produced by them.

(f) Where a farm is operated by share-tenants, or with the aid of share-croppers, tax-exemption stamps issued for an apportionment made to such farm shall be used by the landlord, the share-tenants, and/or the share-croppers in accordance with their respective shares in the potatoes produced on such farm, during the allotment year for which such apportionment is made, or the proceeds of such potatoes, and the Secretary of Agriculture shall issue regulations protecting the interests of share-croppers and tenants in the issuance and use of such tax-exemption stamps.

(g) If accompanied by delivery thereof, tax-exemption stamps may be transferred or assigned in such manner and upon such terms and conditions, including conditions governing the consideration which must be given therefor, as the Secretary of Agriculture may determine are reasonably necessary to prevent (1) transfers and assignments which would tend to depress the market price for potatoes produced in any potato-producing area, (2) speculation in tax-exemption stamps, or (3) fraud or coercion in the transfer of such stamps, or which the Secretary of Agriculture finds to be necessary or desirable to facilitate the identification of tax-paid or tax-exempt potatoes or which the Secretary of Agriculture finds to be necessary or desirable to protect the interests of tenants and share-croppers in the issuance and use of tax-exemption stamps.

SEC. 210. Tax-exemption stamps issued to a person, and a person's right to and claim for, tax-exemption stamps shall be exempt from the claims of the creditors of such person and from any and all process for the enforcement of such claims. The Secretary of Agriculture shall by regulation provide for the issuance to, and/or use by, the person who by devise, bequest, or descent becomes the owner of potatoes planted by a person dying during an allotment year, of the tax-exemption stamps which have been, or would have been, issued to such deceased person for such allotment year.

#### PACKAGING

SEC. 211. (a) To facilitate the collection of the tax upon the first sale of potatoes imposed by subsection (a) of section 202 of this title,

all potatoes harvested on and after December 1, 1935, and sold in the continental United States, during any period such tax is in effect, shall, in accordance with such rules and regulations as the Commissioner with the approval of the Secretary of the Treasury shall prescribe, be packed in closed and marked containers to which shall be attached or affixed tax stamps or tax-exemption stamps equal in face value to the amount of tax per pound in effect on the potatoes contained therein: *Provided*, That, subject to such regulations as the Commissioner with the approval of the Secretary of the Treasury may prescribe, packaging may be postponed beyond the time of the first sale of potatoes which are to be stored in bulk, or which are to be graded, at such places as may be designated by regulations prescribed by the Commissioner with the approval of the Secretary of the Treasury. The time and method of such packaging and the time and method of attaching or affixing such stamps and the time and circumstances under which packages may be broken shall be established in accordance with such regulations as the Commissioner, with the approval of the Secretary of the Treasury, may prescribe as desirable or necessary to facilitate the collection of the taxes levied by this title. In prescribing and approving rules and regulations for the packaging of potatoes and the attaching or affixing of stamps, the Commissioner and the Secretary of the Treasury shall give due weight to the customs of the industry.

(b) To facilitate the collection of the tax upon a change in the form of potatoes imposed by subsection (a) of section 202 of this title, the Commissioner, with the approval of the Secretary of the Treasury, is authorized by regulation to prescribe appropriate means of identifying potatoes, the change of form of which is subject to such tax, and for the identification of the products of such potatoes.

#### RULES AND REGULATIONS

SEC. 212. The Commissioner, with the approval of the Secretary of the Treasury, shall prescribe and publish such rules and regulations as he may deem needful in administering provisions of this title relating to the revenue including rules and regulations for the issue, sale, custody, production, cancelation, destruction, and disposition of tax stamps and the cancelation and destruction of tax-exemption stamps, and the substitution or replacement of tax stamps in cases of loss, destruction, or defacement thereof.

SEC. 213. The Secretary of Agriculture is authorized to make such rules and regulations as may be necessary to carry out the powers vested in him by the provisions of this title.

SEC. 214. (a) All producers, warehousemen, processors, carriers, retailers, factors, handlers, and any other person who the Commissioner has reason to believe to have information with respect to potatoes produced, or sold, or subject to a tax on a change in the form of potatoes, may be required, under regulations prescribed jointly by the Secretary of the Treasury and the Secretary of Agriculture, to make such returns, render such statements, give such information, and keep such records as they may deem necessary for the proper administration of this title.

(b) Any person willfully failing or refusing to file such a return, render such statement, give such information, or keep such records,

or filing a willfully false return, or rendering or giving willfully false statements or information or willfully keeping false records, shall be guilty of a misdemeanor and upon conviction thereof, shall be punished by a fine of not more than \$1,000 or by imprisonment not exceeding one year, or both.

#### REFUNDS

SEC. 215. (a) No refund of any tax, penalty, interest, or sum of money paid shall be allowed under this title unless claim therefor is presented within one year after the date of payment of such tax, penalty, interest, or sum.

(b) No suit or proceeding shall be maintained in any court for the recovery of any tax under this title alleged to have been erroneously or illegally assessed or collected, or of any penalty claimed to have been collected without authority, or of any sum alleged to have been excessive or in any manner illegally or wrongfully collected until a claim for refund or credit has been duly filed with the Commissioner according to the provisions of law in that regard and the regulations of the Secretary of the Treasury established in pursuance thereof. No suit or proceeding shall be begun before the expiration of six months from the date of filing such claim unless the Commissioner renders a decision thereon within that time, nor after the expiration of two years from the date of payment of such tax, penalty, or sum, unless such suit or proceeding is begun within two years after the disallowance of the part of such claim to which such suit or proceeding relates. The Commissioner shall, within ninety days after such disallowance, notify the taxpayer thereof by registered mail.

(c) The amount of the taxes imposed by subsection (a) of section 202, paid by a person, which taxes would not have been paid had the tax-exemption stamps to which such person was entitled been delivered to such person prior to the payment of such taxes, shall be refunded to such person.

#### APPROPRIATION

SEC. 216. (a) The proceeds derived from the taxes imposed by this title are hereby authorized to be appropriated to be available to the Secretary of Agriculture for administrative expenses, for all purposes of the Agricultural Adjustment Act, as amended, for refunds of taxes and for other payments under this title. The Secretary of Agriculture and the Secretary of the Treasury shall estimate from time to time the amount of taxes which will be collected under this title during a period following any such estimate not in excess of four months, and the Secretary of the Treasury shall, out of any money in the Treasury not otherwise appropriated, advance to the Secretary of Agriculture the amounts so estimated. The amount of any such advance shall be deducted from such tax proceeds as shall subsequently become available under this subsection: *Provided*, That all taxes imposed by section 230 of this title, collected upon potatoes coming from the possessions or territories of the United States, shall not be covered into the general fund of the Treasury of the United States but shall be held as a separate fund and paid into the treasuries of the said possessions and territories,

respectively, to be used and expended by the governments thereof for the benefit of agriculture.

(b) The administrative expenses provided for under this section shall include, among others, expenditures for personal services and rent in the District of Columbia and elsewhere, for law books, periodicals, newspapers, and books of references, for contract stenographic reporting services, for the purchase or hire of vehicles, including motor vehicles, and for printing and paper in addition to allotments under the existing law.

#### GENERAL AND PENAL PROVISIONS

SEC. 217. If at any time the Secretary of Agriculture finds that any product or products manufactured from potatoes is of such low value, considering the quantity of potatoes used for its manufacture, that the imposition of the taxes imposed by subsection (a) of section 202 of this title would prevent wholly or in large part the use of potatoes in the manufacture of such product or products or that potatoes used for the feeding of livestock are of such low value that the imposition of such taxes would prevent wholly or in large part the sale of potatoes for any such use, the Secretary of Agriculture shall proclaim such finding and thereafter in accordance with regulations prescribed jointly by the Secretary of Agriculture and the Secretary of the Treasury, the sale, or change in form, of potatoes for such use or uses by the purchaser thereof shall be exempt from the provisions of subsection (a) of section 211, and from the taxes imposed by subsection (a) of section 202 of this title until such time as the Secretary of Agriculture, after further investigation and due notice and opportunity for hearing to the interested parties, revokes such proclamation: *Provided*, That the right to any such exemption shall be evidenced in such manner as joint regulations of the Secretary of Agriculture and the Secretary of the Treasury shall prescribe. If such purchaser uses any potatoes sold to him free of tax under this section or uses any product of such potatoes, for other than an exempt use as above specified, then he shall be liable for a tax in the same manner as if such potatoes were sold by him at a first sale.

SEC. 218. The Secretary of Agriculture is authorized, in order to carry out the provisions of this title, to appoint, without regard to the provisions of the civil-service law, such officers, agents, and employees and to utilize such Federal officers and employees and, with the consent of the State, such State and local officers and employees, as he may find necessary, to prescribe their authorities, duties, responsibilities, and tenure, and, without regard to the Classification Act of

1923, as amended, to fix the compensation of any officers, agents, and employees so appointed.

SEC. 219. (a) For the more effective administration of the functions vested in him by this title, the Secretary of Agriculture is authorized to utilize committees and associations heretofore or hereafter established pursuant to subsection (b) of section 10 of the Agricultural Adjustment Act, as amended, and to establish regional, State, and local committees and associations of producers of potatoes.

(b) The Secretary of Agriculture, out of any funds appropriated for administrative expenses under this title, is authorized to advance funds to the proper fiscal officer of associations established or utilized pursuant to subsection (a) of section 219 of this title, for expenses incurred or to be incurred in the administration of this title, with the approval of the Secretary of Agriculture by such associations. Payment of such expenses of such associations shall be made upon such evidence and in such manner and at such time or times as the Secretary of Agriculture may direct, and the accounting therefor by the associations shall be solely administrative and to the Secretary of Agriculture only.

SEC. 220. Any person who knowingly sells, or offers for sale, or knowingly offers to buy, or buys, potatoes not packaged as required by this title, or any person who knowingly sells, or offers for sale, or who knowingly offers to buy, or buys, potatoes to the packages of which are not affixed or attached tax-exemption stamps or tax stamps as required by this title shall, upon conviction thereof, be fined not more than \$1,000. Any person convicted of a second offense under the provisions of this title may, in addition to such fine, be imprisoned for not more than one year.

SEC. 221. Any person who, in violation of the regulations made by the Secretary of Agriculture, speculates in tax-exemption stamps, and any person securing tax-exemption stamps from another person by fraud or coercion, shall, upon conviction thereof, be fined not more than \$1,000 or sentenced to not more than one year's imprisonment, or both.

SEC. 222. Whenever any potato container, to which are affixed tax stamps or tax-exemption stamps, is emptied, it shall be the duty of the person in whose hands the same is to destroy utterly the stamps affixed thereto. Any revenue officer may destroy the tax stamps or tax-exemption stamps affixed to any emptied potato package.

SEC. 223. Any person who willfully violates any provision of this title, or who willfully fails to pay, when due, any tax imposed under this title, or who, with intent to defraud, falsely makes, forges, orders, or counterfeits any tax stamps or tax-exemption stamps made or used under this title or who uses, sells, or has in his possession any such forged, ordered, or counterfeited tax stamps or tax-exemption stamps or any plate or die used, or which may be used in the manufacture thereof, or has in his possession any tax stamp or tax-exemption stamp which should have been destroyed as required by this title, or who makes, uses, sells, or has in his possession, any paper in imitation of the paper or other substance used in the manufacture of any such tax stamp or tax-exemption stamp, or who reuses any tax stamp or tax-exemption stamp

required to be destroyed by this title, or who places any potatoes in any package which has been theretofore filled or stamped or otherwise identified under this title without destroying the tax stamps and tax-exemption stamps previously affixed to such package, or who gives away or accepts from another or who sells or buys any emptied package which had been previously filled and stamped or otherwise identified under this title without destroying the tax stamps and tax-exemption stamps previously affixed or attached to such package, or who makes any false statement in any application for tax-exemption stamps under this title, or who has in his possession any tax-exemption stamps or tax stamps, obtained by him otherwise than as provided in this title, shall, upon conviction, be punished by a fine not exceeding \$1,000 or by imprisonment for not exceeding six months, or both.

SEC. 224. Any person who willfully violates any regulation issued or approved pursuant to this title, for the violation of which a special penalty is not provided by law, shall, upon conviction thereof, be punished by a fine not exceeding \$200.

SEC. 225. All provisions of law, including penalties, applicable with respect to the taxes imposed by sections 600 and 800 of the Revenue Act of 1926, except section 1121 of the Revenue Act of 1926, and except section 614 of the Revenue Act of 1932, shall, insofar as applicable and not inconsistent with the provisions of this title, be applicable with respect to all taxes imposed by this title.

SEC. 226. In order to facilitate the making of apportionments and the collection of the taxes imposed by this title, every producer who sells potatoes during any allotment year, or who affects a change in the form of potatoes, shall keep such books and records as the Commissioner, with the joint approval of the Secretary of the Treasury and the Secretary of Agriculture, shall by regulations require and such books and records shall be open to inspection by any authorized agent of the Secretary of Agriculture or the Commissioner.

SEC. 227. Whenever any potatoes, upon the sale of which a tax is required to be paid, are sold, without the use of the proper stamps, or whenever a change in the form of potatoes upon which a tax is required to be paid occurs, without the payment of such tax, it shall be the duty of the Commissioner, within a period of not more than two years after such sale or change in the form, upon satisfactory proof, to estimate the amount of the tax which has been omitted to be paid, and to make the assessment therefor, and certify the same to a collector. The tax so assessed shall be in addition to the penalties imposed by law.

#### EXPORTS

SEC. 228. Under such rules and regulations as the Commissioner, with the approval of the Secretary of the Treasury, may prescribe, the taxes imposed under subsection (a) of section 202 of this title shall not apply in respect to potatoes sold for export to any foreign country or for shipment to a possession or Territory of the United States, and in due course so exported or shipped. Under such rules and regulations the amount of any such tax erroneously or illegally collected in respect to such potatoes so exported or shipped may be

refunded to the exporter or shipper of the potatoes instead of the taxpayer if the taxpayer waives any claim for the amount so to be refunded.

#### IMPORTS

SEC. 229. In order to secure equality between domestic and foreign producers of potatoes and in order to prevent the taxes imposed by subsection (a) of section 202 from resulting in disadvantages to producers of potatoes in the continental United States, the Secretary of Agriculture is hereby authorized and directed to, from time to time by orders and regulations—

(a) For each allotment year or any part thereof that the taxes imposed by subsection (a) of section 202 of this title are in effect, establish quotas for the entry or the importation into the continental United States of potatoes produced in any Territory or possession of the United States, or any foreign country. Such quotas shall be based upon that percentage of the annual average quantity of such potatoes brought or imported into the continental United States during the years 1929–1934, inclusive, which is equal to the percentage that the quantity proclaimed by the Secretary of Agriculture under section 203 of this title is of the annual average of the quantities of potatoes sold in the continental United States during the years 1929–1934, inclusive; and

SEC. 230. After such quotas have been established, potatoes imported or brought into the continental United States in excess of any such quotas shall, in addition to any import duties, be subject to an internal-revenue tax equal to the amount of the tax then in effect on the first sale of potatoes produced and sold in the continental United States. The tax levied by this section shall be represented by tax stamps and shall be paid by the owner or importer prior to release from customs custody and control, or entry into the continental United States.

SEC. 231. During any period the tax imposed by subsection (a) of section 202 is in effect all potatoes imported or brought into the continental United States from any possession or Territory of the United States or from any foreign country shall, prior to release from customs custody and control, in accordance with such rules and regulations as the Commissioner, with the approval of the Secretary of the Treasury, shall prescribe as necessary or desirable to facilitate the collection of the taxes levied by this title, be packed in closed and marked containers. The time and method of such packaging and the time and method of attaching or affixing the stamps required by the preceding section shall be established in accordance with such regulations as the Commissioner shall prescribe. All sales of such potatoes, after release thereof from customs custody and control or entry in the continental United States, shall be in packages in the same manner and under the same terms and conditions as required for the sales of potatoes harvested and sold in the continental United States.

SEC. 232. The provisions of sections 229 and 230 shall not be applicable to potatoes produced in the Republic of Cuba and imported and entered for consumption into the continental United States during the period from December 1 to the last day of the following

February, inclusive, in any years: *Provided*, That if the Secretary of Agriculture at any time finds that the importation of potatoes from the Republic of Cuba during such period is, or threatens to result in, unduly depressing the potato market in or for any potato-producing area of the continental United States, he shall proclaim such findings and the provisions of sections 229 and 230 shall be applicable to all potatoes thereafter imported into the continental United States from the Republic of Cuba.

SEC. 233. This title may be cited as the "Potato Act of 1935."

Approved, August 24, 1935.
